Snowball and Napoleon encourage the spread of Animalism by sending "out flights of pigeons whose instructions were to mingle with the animals on neighboring farms" (Orwell, 54).

2. Who are Frederick and Pilkington?

Frederick and Pilkington are the owners of the farms that reside on each side of Animal Farm.

3. In what ways do the humans try and stop the spread of Animalism?

The humans try and stop the spread of Animalism by stating "the animals there practiced cannibalism, tortured one another with red-hot horseshoes, and had females in common" (Orwell, 55). They were basically trying to spread lies so that the animals would not want to rebel.

4. Where does Snowball get his ideas for defending Animal Farm?

Snowball gets his ideas for defending Animal Farm by studying "an old book of Julius Caesar's campaigns" (Orwell, 57).

5. Describe how the animals are able to successfully defend the farm against the humans.

7. How do the animals celebrate their victory?

The animals celebrate their victory by reassembling "in the wildest excitement, each recounting his own exploits in the battle" (Orwell, 59).

They also hoisted the flag and sung *Beasts of England*.

8. What part does Napoleon play during the Battle of the Cowshed? What do you think this says about him? During the Battle of the Cowshed, Napoleon was not present whatsoever. His lack of presence shows that Napoleon does not care for the well-being of everyone and does not share in the defense of the farm.

The Idea of Difficulty in Literature Alan Carroll Purves, 1991-09-03 This book redefines the nature of textual difficulty in literature and shows the implications of the new definition for teachers at all levels of education Contrary to the traditional use of grade levels or readability formulae the authors redefine difficulty in terms of readers and the texts they meet They base their arguments on contemporary linguistic theory on historical and comparative studies of criticism on literary theory about readers and texts on post-Freudian psychology on empirical research concerning the nature of reading literature and on studies of classrooms curricula and testing What emerges is a coherent work that builds a case for seeing difficulty in literature as a human phenomenon more than a textual one

George Orwell John Rodden, 2017-09-04 The making of literary reputations is as much a reflection of a writer's surrounding culture and politics as it is of the intrinsic quality and importance of his work The current stature of George Orwell commonly recognized as the foremost political journalist and essayist of the century provides a notable instance of a writer whose legacy has been claimed from a host of contending political interests The exemplary clarity and force of his style the rectitude of his political judgment along with his personal integrity have made him as he famously noted of Dickens a writer well worth stealing Thus the intellectual battles over Orwell's posthumous career point up ambiguities in Orwell's own work as they do in the motives of his would-be heirs John Rodden's *George Orwell The Politics of Literary Reputation* breaks new ground in bringing Orwell's work into proper focus while providing much original insight into the phenomenon of literary fame Rodden's intent is to clarify who Orwell was as a writer during his lifetime and who he became after his death He explores the dichotomies between the novelist and the essayist the socialist and the anti-communist and the contrast between his day-to-day activities as a journalist and his latter-day elevation to political prophet and secular saint Rodden's approach is both contextual and textual analyzing available reception materials on Orwell along with audiences and publications decisive for shaping his reputation He then offers a detailed historical and biographical interpretation of the reception scene analyzing how and why did individuals and audiences cast Orwell in their own images and how these projected images served their own political needs and aspirations Examined here are the views of Orwell as quixotic moralist socialist renegade anarchist English patriot neo-conservative
