

Animal Farm Chapter 5 Reading Guide

During Reading

Directions: Start and stop at the page(s) indicated. Answer the questions and be prepared to share with your class.

Page Number	DURING READING QUESTIONS	STUDENT RESPONSE
Start Page 45: "As winter drew on, Mollie became more and more troublesome." To Page 48: "But of all their controversies, none was so bitter as the one that took place over the windmill."	A. Why do you think that Napoleon and Snowball always disagree? B. Contrast the leadership style of each pig.	Napoleon does not want Snowball to lead Animal Farm and gain more popularity than himself. Napoleon is a self-centered, ruthless dictator. Snowball is happy, and he is more creative and more fluent.
Start Page 48: "In the long pasture, not far from the farm buildings..." To the end of Page 53: "It was noticed that they wagged their tails..."	Contrast Napoleon and Snowball's perspectives on the windmill. How do Napoleon's actions in this scene affect the other animals?	Snowball argues in favor of the windmill, which he is certain will eventually become a labor-saving device; Napoleon argues against it, saying that building the windmill will take time and effort away from the more important task of producing food. They don't agree with Napoleon.
Start Page 54: "Napoleon, with the dogs following him..." To Page 58:	Consider the changes Napoleon makes to how the farm will be run. In your opinion, what is his likely motivation for the changes?	There will be no more Sunday Meetings. All decisions about the farm will be made by a committee of pigs presided over by Napoleon. The animals will now meet on Sundays to salute the flag, sing "Beasts of England," and receive their orders for the week.
