Kurt Weill Frank Loesser Leonard Bernstein Sondheim and other luminaries emerge as hardworking craftsmen under enormous pressure to sell tickets without compromising their dramatic vision and integrity Opening night reviews and accounts of critical and popular response to subsequent revivals show how particular musicals have adapted to changing times and changing audiences shedding light on why many of these innovative shows are still performed in high schools colleges and community theaters across the country while others such as Weills One Touch of Venus or Marc Blitzsteins The Cradle Will Rock languish in comparative obscurity Packed with information including a complete discography and plot synopses and song by song scenic outlines for each of the fourteen shows Enchanted Evenings is an essential reference as well as a riveting history It will deepen readers appreciation and enjoyment of these beloved musicals even as it delights both the seasoned theater goer and the neophyte encountering the magic of Broadway for the first time *Billboard* ,1947-04-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Within Our Gates** Alan Gevinson,1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr Redface Bethany Hughes,2024-12-03 Redface is the first book to consider Native American representation in U S theatre how creating a racialized character severely constrains Indigenous nationhood and sovereignty and what steps could be taken to address the challenges of representing Indigenous people on the stage
