The Caravan at the Edge of Doom: Foul Prophecy (The Caravan at the Edge of Doom, Book 2) Jim Beckett, 2022-01-20
Hilarious sequel to *The Caravan at the Edge of Doom*, perfect for fans of Terry Pratchett, David Walliams and Roald Dahl.

One Dangerous Night Cathy Maxwell, 2024-03-26. The second book in New York Times bestselling author Cathy Maxwell's humorous and heartwarming series *The Gambler's Daughters* in which three aristocratic Irish sisters are determined to make their ways in Regency London only to learn the path to making a brilliant society marriage isn't easy, especially when Love gets in the way. Here a disaster in a storm throws headstrong sister Elise into the company and arms of a rake on the run. Elise Lanscarr is furious her very own sister has married the man Elise had marked for herself. Feeling betrayed, she flees London determined to return to the one place where everything was once as it should be, her family home in Ireland. But when her stagecoach crashes in a storm, she finds herself cast adrift in the wilds with no one to help but a rough-looking, albeit handsome stranger, one who has obviously never been informed of the proper rules of society. Christopher Fitzhugh Cox, the missing Duke of Winderton, has fled all responsibility, preferring the persona of the devil may care rake, Kit. He proudly lives hand to mouth, rubbing shoulders with commoners and thieves alike. But while he values his freedom, he's never been one to leave a lady in trouble, even one as opinionated, albeit intriguing as Elise. But this night of booming thunder and flashing lightning is just the beginning of an unexpected, often dangerous adventure. And two disillusioned souls who have been caught up in their own webs of expectations and disappointments are about to learn that life always holds surprises and gifts. And all it asks in return is that they risk everything for Love. Universal Dictionary of the English Language, 1898

The Changing Child: Readings in Child Development, 1972 **Crazy Time** L. Andrew

Cooper, 2022-01-07. *Crazy Time: A Bizarre Battle with Darkness and the Divine* is a literary horror novel, a dark surreal

contemporary supernatural fantasy that offers scares and suspense but seeks to terrify more on the level of concept filling your head with thoughts and images that don't fit right and perhaps shouldn't even be. Bright independent Lily Henshaw rides home with her friends Kris, Eric, and Mia after an evening of celebration and ends up in a nightmare. Two men in a pickup truck stalk them on the road, reminding them of urban legends in ways that only amplify the growing tension. The truck sideswipes them and they pull over where the two men subdue them with a gun and a tire iron. One of the men announces that it's crazy time and a game of violence and murder begins. Lily barely escapes with her life. Months later she is still traumatized and her religious coworker Vince's attempt to comfort her with claims that everything happens for a reason only leads to a panic attack. Her boss and the owner of the printing company where they work, Burt, who has always had feelings for her but has never acted on them, offers more solace but he also shows her posters ordered by MFS, a corporation with offices at the nearby 1500 Spring Street skyscraper, posters that feature disturbing apocalyptic Biblical images coupled with bizarre motivational taglines. Lily is agnostic, Burt is an atheist, and they're both amused and a little creeped out. The small levity Lily finds vanishes when her family calls to tell her that her brother David has killed himself, apparently part of a cluster suicide phenomenon that she and David had heard about on the news at a recent family gathering. While she mourns, Lily can't get the apocalyptic posters out of her head. Soon she gets a new, much larger dose of religious creepiness when a swarm of locusts invades her apartment. Unsure about whether the affliction is real, she calls Burt for help and waits for him outside. During the wait, a man attacks her. She fights him off but is on the ground, bleeding, when Burt and other witnesses arrive. The other witnesses, seeing Burt, a black man, and Lily, an injured white woman, assume Burt is to blame and have him arrested. Lily testifies to Burt's innocence but he nevertheless spends a night in jail where a cellmate kills himself, part of another suicide cluster. Meanwhile, Lily has a vision of Kris, Eric, and Mia sounding less like themselves than like Biblical prophets warning her about opposing God. The experience sparks an idea: Lily begins to believe that she might be cursed and, in high Biblical fashion, the curse is affecting people around her too, especially Burt, whose business is destroyed by a break in leaving Lily and Burt jobless. Lily adopts curse logic and looks for answers. Burt, though skeptical, joins her. They visit an extreme psychic. Lily has an interview with a Satanist. While searching for answers, tragedies and traumas keep piling up. Lily's family suffers more losses. Lily and Burt witness a murder in Lily's bedroom as well as a suicide on the street, and Lily experiences further financial catastrophe. Lily concludes that her curse is reminiscent of the Book of Job. God, if He exists, is out to get her and, unlike the pious Job, she decides that she's out to get God too. Her Satanist advisor points her toward a freelancer in the world of dark deeds, Tobias Centurion, who performs a ritual that indicates Lily and Burt will find answers at 1500 Spring Street in the MFS corporation. Armed with nothing but portents and vague advice, Lily and Burt approach the skyscraper intending to face off with God's corporate cronies and possibly God Himself.
