Beyond the Bend Barry Blackstone, 2021-02-22 Journey with a family through six months in the valley of the shadow of death as an aggressive lung cancer takes a beloved firstborn son through the worst battle of his life A Purple Heart recipient from the Afghan war Scott's war with cancer will highlight and underline the survival on a distant battlefield only to die on a familiar home front Share the thoughts and memories of a dad reflecting on the irony of the number forty and read of his memories of his past that helped him endure one of the greatest tragedies of his life the death of his son in his fortieth year Witness the miracles in the midst of the misery as family and friends rally to help this family cope with an incurable disease Note the sadness that comes when this father's father passes away at the height of his grandson's struggle for survival Hear the glimmer of hope that comes from looking beyond to happier and fairer days coming in the blessed place called heaven See the faith that sustains through insomnia and illness heartache and heartbreak Learn the precepts from the Bible that that will not only help one understand the process but understand the purpose of why someone so young passes away This book is more about departing than dying more about heaven than earth and more about acceptance than bitterness

Dartmouth Veterans Phillip C. Schaefer, 2014-04-01 These are tales of what it was like for young men to go from the bucolic hills of New Hampshire to a land wracked by war and violence The result is a collection of more than fifty accounts showing the variety of experiences and reactions to this dramatic period in American history Some soldiers were drafted some volunteered some supported the war but many turned against it Common to all the stories is the way in which war changes men for good and ill and the way in which the Vietnam experience colored so much of the rest of these writers' lives

Congressional Record United States. Congress, 2013 **First Raise a Flag** Peter Martell, 2019 A beautifully written first hand account of how bitter and deadly rivalries dashed the hopes of the world's newest nation *Great Men??* Dr. Don C. Kean D.M.D., 2014-03-25 War does not determine who is right only who is left Bertrand Russell What is it that truly makes a person great This has been a question both throughout and for the ages In modern society greatness is often measured in terms of wealth power knowledge and achievement Wealth and power can be so fleeting in life and should never truly and totally define an individual's greatness Educational achievement is an attainment and accumulation of knowledge facts

theories and career training Education is good It can be valuable but it should only be considered as one of the many tools in the toolbox of life There have been many great people throughout history who have gone on to achieve and perform great feats in their life with little to no education Wealth power and education can all be used for good and or for evil The history of man clearly bears this out
