Vickers,2013-10-07 A comprehensive introduction to various forms of American Methodism exploring the beliefs and practices around which the lives of these churches have revolved Against the Grain-- Words for a Politically Incorrect Church Steven E. Alvertin,1999 I have always been troubled by a church that is too enamored of the big business of religion and too hungry for the world s applause and approval The church is first of all called to be faithful to the gospel to be a sign of God s coming gracious kingdom in this world and only secondarily to be a successful and competent institution in this

world This book is driven by the fear that the church has too often forgotten the former and succumbed to the latter from the Preface While thoroughly grounded in scripture and sound theology Steven Albertin has a way of contemporizing the message of the gospel making it easy to understand but not necessarily easy to fulfill After reading or listening to one of these sermons you ll be left with a very clear understanding of its central message expressed with such carefully chosen and forceful words that it will not be easily forgotten Chapter titles include What s In It for Me Mark 10 35 45 Baptism and Self Esteem Mark 12 28 34 Breaking the Taboo Mark 12 38 44 Having the Last Word John 18 33 37 No Freudian Slip Matthew 6 25 33 Steven E Albertin is currently pastor of Christ Lutheran Church of Zionsville Indiana He previously served parishes in Indianapolis and Fort Wayne Indiana Albertin has received degrees from Concordia College B A Concordia Seminary in Exile St Louis M Div Christ Seminary Seminex S T M and the Lutheran School of Theology at Chicago D Min *The Church Portrait Journal and Ecclesiastical Art Magazine* ,1889 **The Quarterly Review of the Methodist Episcopal Church, South** ,1882 We Walk by Faith Richard Gribble,1998 Author Richard Gribble has the great gift of telling a story that reveals the meaning of a scriptural text Most of these sermons begin with a story that captures the reader s or listener s attention While the story illustrations are fascinating they do not detract from the thrust of the gospel text but rather enhance it and provide cogent reasons for applying the lesson to one s own life Sermon titles include The Most Important Thing in Life Set Your Goal on Jesus The Responsibility of Belief The Challenge of Tough Love It s Never Too Late and more Richard Gribble CSC is Assistant Professor of History at Stonehill College North Easton Massachusetts After graduating from the United States Naval Academy he earned the M S degree in systems management from the University of Southern California In addition to M Div and S T M degrees he has earned a Ph D in Church History from the Catholic University of America **Baptism** Laurence Hull Stookey,1982 Laurence H Stookey sifts through the confusion and rhetoric to offer this practical biblically sound guide to baptism He examines the sacrament from historical theological and pastoral perspectives and looks at how it has been altered through the ages **Christian Advocate** ,1963 Praying Curses Daniel Nehrbass,2013-06-21 Public reading of the psalms facilitates corporate worship but it can also create a degree of awkwardness as a number of passages in the Psalter contain curses asking God to avenge enemies The presence of vengeful speech seems antithetical to Jesus Sermon on the Mount What are these psalms really about This book recovers the value of imprecatory speech in Scripture arguing that such passages continue to be relevant today both in preaching and therapy The interpretive model Nehrbass suggests is that of dependence these psalms transfer the burden of one s enemies to God and affirm that it is God s prerogative alone to avenge The authors of the imprecatory psalms were victims of violence so this book looks to contemporary victims of violence for their interpretation and application of these psalms This study is decidedly practical Nehrbass examines the nature of anger and hatred and highlights some of the redemptive aspects of these emotions He concludes that the imprecatory psalms offer several positive aspects for dealing with hatred Use of these passages fosters

in believers a passion for God's reputation and can also aid us in surrendering our problems to God's control **Worship for the Whole People of God** Ruth C. Duck, 2013-01-01 This new book on worship by renowned hymn writer and professor Ruth C. Duck provides theological foundations for worship and explores the variety of ways Christians have adapted worship to various cultures to help them live faithfully and to communicate the Gospel to others. The author celebrates the many languages and cultural settings in which the Gospel has been and is preached, sung and prayed. The goal of this volume is to support good pastoral and congregational reflection on what worship is and does. Consequently, Duck discusses many different forms of worship from several cultures: African American, Asian, Euro American, and offers advice on how to read a congregation and define its culture in order to plan culturally appropriate worship. Although the book does not offer prescriptive formulas or advise a single pattern of worship, it includes many practical suggestions for preparing and leading worship, including diverse ministries of music, movement and visual arts that are becoming more popular today. From worship's theological underpinnings, the book turns to worship leadership, forms of prayer, preaching, the sacraments, ordination and various liturgies. Because of its emphasis on Spirit-led worship, this comprehensive book on Christian worship will be used for years to come, not only as a core textbook for seminarians and ministry students from a variety of cultures and traditions, but also as a resource for local church pastors and laity who are dedicated to the enlivening of Christian worship. Dark Splendor Robert P. Vande Kappelle, 2015-06-29 Mistakes, disappointments, suffering and heartbreak can prevent us from growing physically, emotionally, even spiritually, or they can propel us to a new way of life. Building on the contributions of therapists, holistic healers and spiritual mentors such as Richard Rohr, James Hollis, Elizabeth Lesser, Bill Plotkin, Ken Wilber and Thich Nhat Hanh, *Dark Splendor* takes us on a journey into depth spirituality, exploring the two halves of life, noting how the perspectives and experiences of the first half of life either leave us frozen emotionally and spiritually or serve as stepping stones to the vibrant maturity called the second half of life. This further journey is not chronological nor does one magically stumble upon it at midlife or in times of crisis, though these often serve as catalysts. The second journey is largely unknown today, even by people we consider deeply religious, since most individuals and institutions remain stymied in the preoccupations of the first half of life: establishing identity, creating boundary markers and seeking security. The first half of life, while essential, is not the full journey. Furthermore, one cannot walk the second journey with first journey tools. One needs a new toolkit. *Dark Splendor* provides the transformational tools that help transport us to the mystery and beauty of the second half of life. The world is more magical, less predictable, more autonomous, less controllable, more varied, less simple, more infinite, less knowable, more wonderfully troubling than we could have imagined, being able to tolerate when we were young. James Hollis: God comes to you disguised as your life. Paula D. Arcy
