Steps taken by Sinhalese Govt. to show its Majoritarianism:

- 1956 - Act was passed to recognise Sinhala as the only official language - disregarding Tamil.
- The governments followed preferential policies that favoured Sinhala applicants for university positions and govt. jobs.
- A new constitution stated that the state shall protect and foster Buddhism.

Majoritarianism: A belief that the majority community should be able to rule a country in whichever way it wants, by disregarding the wishes and needs of the minority.

Ethnic: A social division based on shared culture. People belonging to the same ethnic group believe in their common descent bcoz of similarities of physical type or of cultural or both.

Strategy Instruction for Middle and Secondary Students with Mild Disabilities Greg Conderman, Laura Hedin, Val Bresnahan, 2013-02-14 Teach your students learning strategies that will last a lifetime The pressure is on special and general education teachers alike If we re to ensure that adolescents with mild disabilities achieve the very same gains as their peers we must first teach them how to learn Here s a one stop guide for getting started pairing the very best instructional methods with assessments and IEP goals so all students can be independent learners Driven by research this indispensable resource features Evidence based strategies for teaching vocabulary reading written language math and science as well as study skills textbook skills and self regulation Clear presentation that describes strategies in context Informal assessments for every content area or skill addressed Case studies that link assessment results IEP goals and learning strategies Application activities with questions and suggested responses Whether you teach in an inclusive resource or self contained setting there s no better guide for teaching your students learning strategies that will last a lifetime This is a rare find a book for practitioners that actually stays on task throughout and provides an abundance of teaching strategies As a veteran of the classroom it is nice to find strategies that are useful and can be readily implemented Sally Jeanne Coghlan Special Education Teacher Rio Linda Preparatory Academy Rio Linda CA I really like this comprehensive resource of strategies I felt the book was written for people like me struggling to do the very best for my students to make their time in school truly of benefit Cheryl Moss Special Education Teacher Gilbert Middle School Gilbert IA

Imagining Society Nehring, Daniel, Kerrigan, Dylan, 2020-02-26 Re-examining C Wright Mills s legacy as a jumping off point this original introduction to sociology illuminates global concepts themes and practices that are fundamental to the discipline It makes a case for the importance of developing a sociological imagination and provides the steps for how readers can do that The unique text Offers succinct and wide ranging coverage of many of the most important themes and concepts taught in first year sociology courses Has a global framework and case material which engages with decoloniality and critiques an overly white western and developed world view of sociology Is woven through with

contemporary examples from social media to social inequality big data to the self help industry Rethinks and re imagines what a critically committed politically engaged and publicly relevant sociology should look like in the 21st century This is a lively engaging and accessible overview of sociology for all its students teachers and people who want to learn more about sociology today It is a welcome clarion call for sociology s importance in public life *10 MWe Sodium Deuterium Reactor Design Report* Peter J. Davis,1959 Populists in Power Daniele Albertazzi,Duncan McDonnell,2015-02-11 The main area of sustained populist growth in recent decades has been Western Europe where populist parties have not only endured longer than expected but have increasingly begun to enter government Focusing on three high profile cases in Italy and Switzerland the Popolo della Libertà PDL Lega Nord LN and Schweizerische Volkspartei SVP *Populists in Power* is the first in depth comparative study to examine whether these parties are indeed doomed to failure in office as many commentators have claimed Albertazzi and McDonnell s findings run contrary to much of the received wisdom Based on extensive original research and fieldwork they show that populist parties can be built to last can achieve key policy victories and can survive the experience of government without losing the support of either the voters or those within their parties Contributing a new perspective to studies in populist politics *Populists in Power* is essential reading for undergraduate and postgraduate students as well as scholars interested in modern government parties and politics *Notes and Queries* ,1878
