Peter Rimmer, Africa changes you FOREVER Once you have been there you will never be the same Read 3 of the novels that will take you back to AFRICA'S most notable and captivating periods The super addictive trilogy starts here Ready for the ride Book 1 Cry of the Fish Eagle Rupert's family is happy and at peace But a vulnerable future is ahead Chaos is coming The Rhodesian War is looming Rupert escapes to Rhodesia from the bloody conflict that is terrorizing Europe His mission is not just duty driven but a promise to look for an orphaned young girl It's a futile search and with time running out he has no choice but to rejoin the theatre of war When peace returns Rupert travels back to Rhodesia to begin anew to find the orphaned girl and to start a new life But nothing can prepare him for what is next as we helplessly watch Rupert wade

against a chaotic tide of nationalism Book 2 Vultures in the Wind Luke was close to death He had been beaten mercilessly and was unrecognizable They wanted the names of their ANC accomplices Matthew Gray and Luke Mbeki were born on the same day spending a brief childhood on an African beach blissfully ignorant of the outside world But their youth is severed Released into the real world the two now face their future in a country deep in the throes of violent change Can the rules and discipline of discrimination pull the men apart Is there any mercy And what happens when these two eventually cross paths Book 3 Just the Memory of Love Will he ever find his love again or will she always be just a memory The war is finally over and for the young and naive Will Langton his future is full of exciting adventure and happy dreams Captivated by a brief but innocent love affair on the rocks of Dancing Ledge is shattered in one single moment and she is lost to him For Will it is an unbearable pain that he can not hope to escape from and the only means to assuage his sorrow is to run away to Africa It was as if I was reading my own life knowing all the areas I loved it Deeply moving and entertaining read Peter Rimmer writes a very interesting story with good detail on what happened in Southern Africa prior to independence A gripping story that will stay with you long after the end of the book Grab your copy today
