

Argumentative Essay Conclusion: Example

The internet has had a significant positive impact on education; occasional pitfalls aside, its value is evident in numerous applications. The future of teaching lies in the internet's possibilities for communication, research, and interactivity. As the popularity of distance learning shows, students value the flexibility and accessibility offered by digital education, and educators should fully embrace these changes. The internet's dangers, real and imaginary, have been documented exhaustively by skeptics, but the internet is here to stay; it is time to focus seriously on its potential for good.
