routledge.com/9781138924390 Assessing Disciplinary Writing in Both Research and Practice Wright, Katherine Landau, Hodges, Tracey S., 2023-08-01 *Assessing Disciplinary Writing in Both Research and Practice* tackles the challenge of measuring writing skills in specific content areas which is crucial for preparing students to communicate as field experts and for their future careers. Edited by Katherine Wright, Associate Professor of Literacy and Language at Boise State University, and Tracey Hodges, Founder and Lead Consultant of The Empowering Advocate, this book provides solutions by bringing together validated measures and practical assessment strategies that can be used in both research and instruction. The book's theoretical foundations cover multimodal disciplinary writing, assessing disciplinary writing versus content area writing, and using assessment as a tool for disciplinary writing instruction. Practical methods for assessing writing in social studies, science, mathematics, English, and language arts, and other genres at the elementary, middle, and high school levels are included, as well as assessment strategies for specific populations of students such as undergraduate students, English learners, gifted and talented students, special needs students, and incarcerated students. This highly valued reference is essential for academic scholars, K-12 teachers, and educational researchers who want to improve writing instruction and research in content and discipline-specific areas. By providing validated measures and methods for assessing disciplinary writing, this edited book helps bridge the gap between research and practice and enables practitioners to better measure student growth and improve writing instruction. This publication is the first step towards advancing research and improving writing instruction in content and discipline-specific areas. *Resources in Education*, 1997 *Writing and Reading Connections* Zoi A. Philippakos, Steve Graham, 2022-11-18 Writing skills are essential for success in the 21st-century school and workplace, but most classrooms devote far more time to reading instruction, with writing often addressed in isolation or excluded. In this insightful professional development resource, text leading researchers discuss why and how to integrate writing and reading instruction in grades K-12 and beyond. Contributors explore how to harness writing-reading connections to support learning in such areas as phonics and spelling, vocabulary, understanding genre and text structure, and self-regulated strategy development, as well as across content areas and disciplines. Special considerations in teaching emergent bilingual students and struggling literacy learners are described. User-friendly features include guiding questions, classroom examples, and action questions that help teachers translate the research and concepts into practice. An NCTQ Exemplary Text for Reading Instruction. *Handbook of Research on Writing Instruction: Practices for Equitable and Effective Teaching* Hodges, Tracey S., 2022-05-27 Writing is a critical component for teaching children about advocacy and empowering student voice, as well as an essential tool for learning in many disciplines. Yet writing instruction in schools often focuses on traditional methods such as the composition of five-paragraph essays or the adherence to proper grammatical conventions. While these are two components of writing instruction and preparation in education, they only provide a small glimpse into the depth and breadth of writing. As such, writing instruction is increasingly complex and requires multiple perspectives and

levels of skill among teachers The Handbook of Research on Writing Instruction Practices for Equitable and Effective Teaching serves as a comprehensive reference of issues related to writing instruction and leading research about perspectives methods and approaches for equitable and effective writing instruction It includes practices beyond K 12 including best writing practices at the college level as well as the development of future teachers Providing unique coverage on culturally relevant writing socio and racio linguistic justice and urgent writing pedagogies this major reference work is an indispensable resource for administrators and educators of both K 12 and higher education pre service teachers teacher educators libraries government officials researchers and academicians *Assessing Historical Thinking and Understanding* Bruce A. VanSledright, 2013-07-31 *Assessing Historical Thinking and Understanding* advocates for a fundamental change in how educators think about making sense of learners developing cognition and understanding in history Author Bruce VanSledright argues that traditional and typical standardized testing approaches are seldom up to the task of measuring the more complex understandings students are asked to attain as they cannot fully assess what the student knows Rather he points forward along a path toward changes in learning teaching and assessing that closely aligns with the Common Core State Standards He delves into the types of history knowledge the standards require illustrates how they can be applied in use in history learning contexts and theorizes how the standards might fit together cognitively to produce deep historical understandings among students in teaching learning contexts By providing a variety of assessment strategies and items that align with the standards and identifying rich useful assessment rubrics applicable to the different types of assessments he offers an important resource for social studies teachers and curriculum writers alike **NBPTS Study Guide 2025-2026** Brielle Morgan, 2025-09-04 *Unlock Your Path to Literacy Excellence Master the National Board Certification Process with Confidence* Are you an accomplished literacy educator ready to take your impact to the next level but feeling overwhelmed by the rigorous demands of the National Board Certification process You re not alone Thousands of passionate teachers share your commitment to excellence but few have the right tools to navigate the NBPTS Literacy Reading Language Arts exam with clarity confidence and strategic precision This 2025 2026 Study Guide was built for educators like you those determined to earn the distinguished title of National Board Certified Teacher and transform their classroom practice into national recognition Inside this guide you ll find more than just study content you ll find the direction insight and test readiness you ve been searching for Each chapter is structured to demystify the NBPTS process help you manage time and expectations and deliver real practice that reflects the depth and rigor of the actual exam What makes this guide your most valuable certification tool Step by Step Breakdown of All Four Components Get a crystal clear understanding of the NBPTS framework including the Five Core Propositions Architecture of Accomplished Teaching and the Literacy Standards that shape effective instruction Component 1 Mastery Targeted reviews and smart strategies for selected response and constructed response tasks Whether it s literacy development text comprehension writing instruction or assessment literacy you ll walk in ready to
