

Army Correspondence Courses

Military correspondence courses and computer-based training are provided through ATRRS Self-development or Army e-Learning (<https://www.atrrs.army.mil>). Soldiers will be granted promotion points based on 1 point per 5 hours of completed ACCP training – restricted to courses completed in their entirety. The Soldier must have record of full course completion and the total credit hours for the entire course will be divided by 5 to determine promotion points. No points will be awarded for sub-course completion. The goal is to finish, in its entirety, a formal course of instruction, at which time the Soldier will be granted promotion points.
