Screwing Mother Nature for Profit: How Corporations Betray Our Trust Elaine Smitha Author,2013-01-01 Screwing Mother Nature for Profit is a wake up call to acknowledge and heal the harm that corporate greed is wreaking on our planet Overpopulation hunger pollution climate

change the damage is all around us How can we live in harmony with each other and with nature For answers Elaine Smitha turns to Mother Nature herself explaining how her principles of cooperative competition can set corporations and governments on a path of conscious sustainable growth Drawing on concepts from Henry Ford s innovative production line to the findings of the new biology she reveals a startling correlation between businesses and living systems then uses this as the basis for a model of leadership oriented towards benefits much bigger than cash flow Some of the topics covered include The danger of manipulating the food supply with terminator seeds The possibilities of collective intelligence and crowd sourcing Innovative solutions for health care communications and corporate governance Ways for businesses to tap into the self healing processes of the body and the power of the mind In the words of one seasoned journalist her book goes worlds beyond tired ineffective and faddish theories to hold out fresh hope not only for the corporate world but for our whole world

Daily Graphic Ransford Tetteh,2010-01-15 *Extraordinary Partnerships* Christine Henseler,2020-05-01 This inspirational and hopeful collection demonstrates that the arts and humanities are entering a renaissance that stands to change the direction of our communities Community leaders artists educators scholars and professionals from many fields show how they are creating responsible transformations through partnership in the arts and humanities The diverse perspectives that come together in this book teach us how to perceive our lives and our disciplines through a broader context The contributions exemplify how individuals groups and organizations use artistic and humanistic principles to explore new structures and novel ways of interacting to reimagine society They refresh and reinterpret the ways in which we have traditionally assigned space and value to the arts and humanities

Spiritual Boredom Dr. Erica Brown,2012-05-17 Break the Surface of Spiritual Boredom to Find the Reservoir of Meaning Within We need to be bored When we get bored and take responsibility for our boredom we arrive at a new level of interest introspection or action that has been stirred by the very creativity used to keep boredom away The relationship between boredom and creativity is far from accidental Creative minds are often stimulated by boredom regarding it as a brain rest until the next great idea looms on the horizon of the otherwise unoccupied mind from Chapter 10 Boredom is a crisis of our age In religious terms boredom is sapping spirituality of its mystical and wholesome benefits slowly corroding our ability to recognize blessing and beauty in our lives to experience wonder and awe What happens when our need for constant newness minimizes our interest in prayer learning and the mysteries of nature This intriguing look at spiritual boredom helps you understand just what this condition is particularly as it relates to Judaism and what the absence of inspiration means to the present and future of the Jewish tradition Drawing insights from psychology philosophy and theology as well as ancient Jewish texts Dr Erica Brown explores the many ways boredom manifests itself within Judaism in the community classroom and synagogue and shows its potentially powerful cultural impact on a faith structure that advises sanctifying time not merely passing it
