Kevin L. Borg,2007-06 The history of automobiles is not just the story of invention manufacturing and marketing it is also a
story of repair Auto Mechanics opens the repair shop to historical study for the first time by tracing the emergence of a dirty
difficult and important profession Kevin L Borg s study spans a century of automotive technology from the horseless carriage
of the late nineteenth century to the check engine light of the late twentieth Drawing from a diverse body of source material
Borg explores how the mechanic s occupation formed and evolved within the context of broad American fault lines of class
race and gender and how vocational education entwined these tensions around the mechanic s unique expertise He further
shows how aspects of the consumer rights and environmental movements as well as the design of automotive electronics
reflected and challenged the social identity and expertise of the mechanic In the history of the American auto mechanic Borg
finds the origins of a persistent anxiety that even today accompanies the prospect of taking one s car in for repair *SVO*

Equipment Superintendent ,1960 **A Ranger's Life** T. W. Strait,2011-05-12 T W Strait was employed by the Missouri
State Park Board each summer from 1958 through 1962 He was a college summer day worker for the first year but became
the Campground Supervisor for the next four summers Most of what you will read comes from many personal experiences
and a bit of creative license He saw so many things happen through young eyes that have stuck with him for these many
years Tom met his wife while working at the park and has had a fondness for all memories connected with that work
experience He made many friendships while employed there and for that reason felt it important to share those experiences
with you When Tom started working for the Park System at Lake Ozark State Park he arrived as a 210 pound over weight
spoon fed son of an IBM Branch Manager who got the job for him during the Christmas break of 1957 Tom s junior year in
high school Mowing his dad s yard and watching TV was his only summer interests during previous summers This summer
was be different Upon arriving at the park Tom was quartered in the back room of the main park office with a bunk and with

only a refrigerator and a hot plate for appliances There was no hot water heater so any showers were taken in very cold well water in the basement or by catching aride to the campground six miles away for a hot shower With no vehicle Tom depended on the other students with cars two to go to town to shop for groceries and other necessities This was a major difference in his past lifestyle Tom s duties that first year were to help clean all of the restrooms at the campground swimming beach and picnic shelter After doing that he helped haul garbage from each of the above locate ones and then hauled wood back to the campers Once done with those projects he and the other boys cut grass and whipped weeds for the rest of each day Once week he and his co harts got to runt he road picking up litter thrown out by thoughtless visitors That was a 6 mile run in very hot and humid weather Every once in a while he got the privilege of helping pump out the out house toilets in the campground and that was an enlightening experience Needless to say by summers end Tom had lost 35 pounds and had really gained some never before enjoyed muscle tone as well as had received a very good education of what life was really all about The next 4 years as Supervisor he assigned duty es to the then 6 extra students and he also collected camp fees During those 5 years he gained a real appreciate on for life and the feelings of others that has carried with him throughout his later career as a Marketing Manager After graduating from Indiana University School of Business in 1963 he married his park sweetheart and went to work for a major oil company for the next 4 years He attained the tatl of Senior Sales Representative before leaving to go back to Missouri to work with a smaller independent oil company as Sales Manager Here he stayed for the next 40 years helping build the company to a multimillion dollar concern He is currently semi retired working three days a week for that company and working the other two days with his son in a company they started in 1997 called T S Distributors L L C that sells installs and services automotive equipment Tom credits his park experience for much of his business success It was there he gained firsthand experience dealing with about every conceivable type of situation imaginable The wife beating attempted suicide accidents lassoing the wounded deer the lost camper the German shepherds the lost teeth the couple in the tent the Clydesdales and forest fires were all things in which Tom personally had to become involved None of the characters named in this book are real or reflect on anyone he worked with in the park The comradely however did prevail there throughout his tenure Tom s dealings with all park and Park Board personnel were handled in a very positive an dedicational manner and he is most grateful to the Board and Mr Joe Jaeger its Director at the time for giving him the chance of a life time and the job Tom also dedicates this book tohis first Superintendent Mr Ned Brown who died in a truck accident very much like the one his character JJ in the book experienced Tom hopes you enjoy these stories as much as he enjoyed experiencing or creating them
