Create an Animal Activity

Directions: Design an imaginary animal with structures that help it survive in its environment by meeting its basic needs. Be creative! Write a paragraph with at least 5 complete sentences to describe your animal. Please include all of the following information:

- What is your new animal's name?
- What type of environment does your animal live in?
- What structures does the animal have?
- What function does each structure provide for the animal to survive?

The Polar Fluffwing is a flying animal that lives in a cold arctic, with lots of ice and snow. The Polar Fluffwing has large wings to help it fly and move around in its environment. The wings also help it escape from predators and hunt for food. The Fluffwing also has thick, white fur to help it stay warm in the snow and to help it stay warm in the weather.

Thick, white fur for camouflage and warmth.
