Decolonial Animal Ethics in Linda Hogan's Poetry and Prose Małgorzata Poks,2023-07-28 Decolonial Animal Ethics in Linda Hogan's Poetry and Prose is a plea for an urgent redefinition of human animal relations on the basis of a nonanthropocentric animal ethic embraced by premodern Indigenous communities but depreciated by coloniality Without decolonial revisions of animal subjectivity and personhood the animal genocide can never truly stop It is also a close reading of Linda Hogan's poetry and prose in search of the coordinates of a decolonized animal ethic which would foster interspecies becoming Having defined the recurring tropes motifs and attitudes that underpin Hogan's treatment of nonhuman animals the book moves on to trace the way she depicts the human animal bond especially in the face of the destructive anthropogenic impact The major questions guiding the analysis of Hogan's oeuvre are as follows who are the animals we share our earthly lives with what can they teach us about ourselves how can animals guide us toward more sustainable futures and what are the conditions of possibility of an interspecies human animal thriving This book will be of interest to scholars and students of Indigenous Studies Decolonial Studies Animal Studies Ecocriticism Anthropocene Studies as well as readers of Linda Hogan's literary works *A Poetry Teacher's Toolkit* Collette Drifte,Mike Jubb,2018-12-07 Professional poets spend many hours crafting a finished piece of work yet we expect children in school to sit down and write when they are told to whether they feel inspired or not This series of four books is a toolkit to help you build a positive framework for children to read write understand and enjoy poetry to bring a creative spark to the poetry classroom A combination of featured poems creative ideas structured lesson plans and differentiated photocopiable activity sheets gives the series a uniquely flexible approach which means you can use the materials in any classroom context If you're wary of poetry if you think it's boring or if you're nervous about teaching poetry then you've chosen the right book Key themes covered in BOOK 3 Style Shape and Structure are style and structure addressing regular and standard forms the impact of layout free form found poetry and

Romanticism and Modernity Thomas Pfau, Robert Mitchell, 2014-07-16 Though traditionally defined as a relatively brief time period typically the half century of 1780 1830 the Romantic era constitutes a crucial indeed unique transitional phase in what has come to be called modernity for it was during these fifty years that myriad disciplinary aesthetic economic and political changes long in the making accelerated dramatically Due in part to the increased velocity of change though most of modernity's essential master tropes such as secularization instrumental reason individual rights economic self interest emancipation system institution nation empire utopia and life were also subjected to incisive critical and methodological reflection and revaluation The chapters in this collection argue that Romanticism's marked ambivalence and resistance to decisive conceptualization arises precisely from the fact that Romantic authors simultaneously extended the project of European modernity while offering Romantic concepts as means for a sustained critical reflection on that very process Focusing especially on the topics of form both literary and organic secularization and its political correlates utopia and apocalypse and the question of how one narrates the arrival of modernity this collection collectively emphasizes the importance of understanding modernity through the lens of Romanticism rather than simply understanding Romanticism as part of modernity This book was previously published as a special issue of *European Romantic Review*

Kirschenbaum, 2016-05-02 Writing in the digital age has been as messy as the inky rags in Gutenberg's shop or the molten lead of a Linotype machine Matthew Kirschenbaum examines how creative authorship came to coexist with the computer revolution Who were the early adopters and what made others anxious Was word processing just a better typewriter or something more

Experimental Life Robert Mitchell, 2013-12-16 *Experimental Life* establishes the multiple ways in which Romantic authors appropriated the notion of experimentation from the natural sciences Winner of the Michelle Kendrick Memorial Book Prize of the Society for Literature Science and the Arts BSL's Book Prize of the British Society for Literature and Science If the objective of the Romantic movement was nothing less than to redefine the meaning of life itself what role did experiments play in this movement While earlier scholarship has established both the importance of science generally and vitalism specifically with regard to Romanticism no study has investigated what it meant for artists to experiment and how those experiments related to their interest in the concept of life *Experimental Life* draws on approaches and ideas from contemporary science studies proposing the concept of experimental vitalism to show both how Romantic authors appropriated the concept of experimentation from the sciences and the impact of their appropriation on post Romantic

concepts of literature and art Robert Mitchell navigates complex conceptual arenas such as network theory gift exchange paranoia and biomedicine and introduces new concepts such as cryptogamia chylipoietic discourse trance plantation and the poetics of suspension As a result Experimental Life is a wide ranging summation and extension of the current state of literary studies the history of science cultural critique and theory

Animal Visions Susan Mary Pyke, 2019-03-15 Animal Visions considers how literature responds to the harms of anthropocentrism working with Emily Brontë's Wuthering Heights 1847 and various adaptations of this canonistic novel to show how posthumanist dream writing unsettles the privileging of the human species over other species Two feminist and post Freudian responses Kathy Acker's poem Obsession 1992 and Anne Carson's The Glass Essay 1997 most strongly extend Brontë's dream writing in this direction Building on the trope of a ludic Cathy ghost who refuses the containment of logic and reason these and other adaptations offer the gift of a radical perihysteria This emotional excess is most clearly seen in Kate Bush's music video Wuthering Heights 1978 and Peter Kosminsky's film Wuthering Heights 1992 Such disturbances make space for a moor love that is particularly evident in Jane Urquhart's novel Changing Heaven 1989 and to a lesser extent Sylvia Plath's poem Wuthering Heights 1961 Brontë's Wuthering Heights and its most productive afterings make space for co affective relations between humans and other animal beings Andrea Arnold's film Wuthering Heights 2011 and Luis Buñuel's Abismos de Pasi n 1954 also highlight the rupturing split gaze of non acting animals in their films In all of these works depictions of intra active and entangled responses between animals show the potential for dynamic and generative multispecies relations where the human is one animal amongst the kin of the world

The Cambridge

Companion to Literature and Animals Derek Ryan, 2023-11-09 The Cambridge Companion to Literature and Animals surveys the role of animals across literary history and opens conversations on what literature can teach us about more than human life Leading international scholars comprehensively explore how engaging with creatures of various kinds alters our understanding of what it means to write and read and why this is important for thinking about a series of cultural ethical political and scientific developments and controversies The first part of the book offers historically rooted arguments about medieval metamorphosis early modern fleshiness eighteenth century imperialism Romantic sympathy Victorian racial politics modernist otherness and contemporary forms The second part poses questions that cut across periods concerning habitat and extinction captivity and spectatorship race and post coloniality sexuality and gender religion and law health and wealth In doing so this companion places animals at the centre of literary studies and literature at the heart of urgent debates in the growing field of animal studies *Egyptian Things* Edward William Kelting, 2024 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program Visit www.luminosoa.org to learn more After the deaths of Antony and Cleopatra Rome finally took control of Egypt This occupation simultaneously facilitated and circumscribed the exchange of goods people and ideas along the paths carved across Rome s burgeoning empire In this book Edward Kelting sets out to recapture one of these systems of exchange the vibrant literary tradition known as Aegyptiaca or Egyptian things in which culturally mixed authors wrote about Egypt for a Greek and Roman audience These authors have been dismissed as not really Egyptian and their contemporary popularity has been ignored But as Kelting powerfully argues this genre in fact constitutes a vibrant intellectual tradition developed from heterogeneous influences but deeply engaged with Egypt s pharaonic past In contrast to usual narratives of Roman domination Kelting uncovers a complex project of political engagement and cultural translation in which Egyptians Greeks and Romans all participated *Sexual Culture in the Literature of Medieval Britain* Amanda Hopkins, Robert Allen Rouse, Cory Rushton, 2014 An examination into aspects of the sexual as depicted in a variety of medieval texts from Chaucer and Malory to romance and alchemical treatises
