Fractured Faceoff Heather C. Myers, Frankie Cardona, 2025-09-29 They were never meant to be But when revenge turns into something more the game changes forever Isla I should have seen it coming the betrayal the heartbreak the way my world would shatter in an instant But nothing could prepare me for walking in on my long term boyfriend tangled up with his co host Now love is off the table Trust Even more so Then Jared Crowder makes me an offer I should refuse He wants revenge just as much as I do After all he s spent years in love with Ava my sister And that

didn't stop him from secretly seeing her behind his brother's back. Now she's chosen Kash and Jared is done playing nice. The plan is simple: fake a relationship, show the world we've moved on, and make them both regret ever hurting us. The only problem? Some lies feel dangerously real. Jared: I've spent my career getting inside people's heads. It's how I dominate on the ice. But Isla Sawyer: She's always been the one person I couldn't figure out. My childhood rival. The girl who knew exactly how to get under my skin. The one I never saw coming. For years I chased the wrong woman. I told myself Ava was the one even when she chose my brother. But the second Isla and I strike a deal, everything shifts. The chemistry we've spent a lifetime ignoring ignites, and suddenly pretending with her feels easier than remembering why we started this in the first place. She's stubborn, infuriating, and hell-bent on keeping me at arm's length. But I've played this game long enough to know when an opponent is bluffing. And Isla: She's seconds away from falling for the one person she swore she never would. **Fractured Faceoff** is a standalone dark hockey romance featuring a fiery fake dating enemies-to-lovers dynamic, a revenge pact that spirals out of control, and the kind of tension that blurs the lines between fake and real. It has a guaranteed HEA and no cliffhanger. **TV Guide**, 2005.

Valley Animals Brooks Firestone, 2010-10-28. The animals of Santa Barbara County's Santa Ynez Valley are plentiful and varied. Some fly, some swim, some slither, others gallop or trot or ride in the back of pickup trucks. Some are wild, and others domestic; some are workers, while others are pets; there are prize winners, and there are bandits. Many of the animals are beautiful and friendly, whereas others are beautiful and dangerous. The Valley is home to meadowlarks, condors, and ostriches, cattle, sheep, and alpacas, polo ponies, and work horses, prize-winning cattle, goats, and swine, dogs, and coyotes, cats, and mountain lions, elands, and even an elephant. Brooks Firestone, who has lived in the Santa Ynez Valley for over thirty-five years, knows the animals well. He has ranched with them, lived with them, laughed at their antics, and marveled at their beauty. Now he has written a book about them: dozens of stories about his encounters with his animal neighbors, as well as retold tales heard from his human neighbors. These stories cover a wide range of emotional territory, from hilarious (a parade of dogs gossiping about their human companions) to heart-wrenching (prized and treasured horses lost in a tragic barn fire) to beautiful and inspired (a flock of migrant geese waking up after spending the night in a foggy meadow). **Copeia**, 1977.

The Annotated Abbott and Costello Matthew Coniam, Nick Santa Maria, 2023-01-11. Abbott and Costello were the most popular comedians of the 1940s, with burlesque-inspired routines that enthralled audiences on both radio and television. Oddly, their films have not received the same level of attention from critics and writers as those of other comedy teams. This book is a scene-by-scene, film-by-film guide to their movies, making a compelling case for their inclusion at the very top of comic artists. Featuring new research and some surprising revelations, the book introduces newcomers to the delights of this uproarious team and provides confirmed fans with the ultimate companion to their work. Also included is a foreword by John Landis, the celebrated director and Abbott and Costello devotee. **Television Westerns Episode Guide** Harris M. Lentz, 1997.
