Mason ,2025-06-13 What if everything you believed about yourself your name your past your memories was a carefully constructed lie Isabella Santoro always knew she didn't fit the mold her family carved for her But just as she tried to take her future into her own hands a crash shattered her world She should have died Instead she woke up in darkness her mind hijacked and her soul imprisoned inside a digital echo of her former self Eight years later Isabella is a trauma psychologist or so she thinks When a chance encounter with a mysterious stranger named Marcus sparks a joy so strong it feels like fate their pasts begin to unravel Marcus once David now a weapon forged by a secret project has been trained to kill His latest assignment Eliminate Isabella But he can't Not when something deep inside tells him he's known her forever Together they chase whispers of stolen identities false memories and a conspiracy that spans artificial intelligence neurological manipulation and a twisted definition of love As they uncover classified files dream shared childhoods and the horrifying truth of Project Lazarus they realize they're not anomalies they're blueprints Now hunted by the same system that created them Isabella and Marcus must outrun their fate reclaim their humanity and decide if your soul was manufactured can your choices still be real Or has someone already made the final decision for you Would you still fight if you didn't know who you truly were *The Empire of the Mother* Mary P. Ryan,1982 This stimulating book is a comprehensive record of the antebellum period It examines various aspects of social history and intellectual history of that period in the context of the 19th century's cult of domesticity The development of the ideology of domesticity in this period and its implications are clearly explored in this startling and important feminist work *The Palgrave Handbook of the Southern Gothic* Susan Castillo Street,Charles L. Crow,2016-07-26 This book examines Southern Gothic a term that describes some of the finest works of the American Imagination But what do Southern and Gothic mean and how are they related Traditionally seen as drawing on the tragedy of slavery and loss Southern Gothic is now a richer more complex subject Thirty five distinguished scholars explore the Southern Gothic under the categories of Poe and his Legacy Space and Place Race Gender and Sexuality and Monsters and Voodoo The essays examine slavery and the laws that supported it and stories of slaves who rebelled and those who escaped Also present are the often neglected issues of the Native American presence in the South socioeconomic class the distinctions among the several regions of the South same sex relationships and norms of gendered behaviour This handbook covers not only iconic figures of Southern literature but also other less well known writers and examines gothic imagery in film and in contemporary television programmes such as *True Blood* and *True Detective* **The Oxford Handbook of Victorian Medievalism** Joanne Parker,Corinna Wagner,2020 The
