Saricks, 2019-07-03 Everyone's favorite guide to fiction that's thrilling, mysterious, suspenseful, thought provoking, romantic, and just plain fun is back and better than ever in this completely revamped and revised edition. A must for every reader's advisory desk, this resource is also a useful tool for collection development librarians and students in LIS programs. Including everything advisors need to get up to speed on a genre, including its appeal, characteristics, key authors, sure bets, and trends, demonstrate how genres overlap and connect, plus suggestions for guiding readers among genres and tie genre fiction to the whole collection, including nonfiction, audiobooks, graphic novels, film, and TV, poetry, and games. Both insightful and comprehensive, this matchless guidebook will help librarians become familiar with many different fiction genres, especially those they do not regularly read, and aid library staff in connecting readers to books they're sure to love. My family doesn't know who I really am, nor the truth about my past. But someone out there does: someone who hates me enough to frame me for murder. How do I prove I'm innocent, especially since I've been keeping secrets that make me look guilty? But most importantly, who is setting me up, and why? Shelby Cooper has worked hard and sacrificed for the life she has: a successful career as a leading scientist in the field of bioinformatics, mother to two incredible kids, and a happy marriage to a brilliant corporate power player. Then it all begins to unravel in the blink of an eye. A routine stop by the police for a broken taillight leads to Shelby's arrest for the murder of her physical therapist. But the nightmare is only just beginning. An ingenious killer is out for revenge and will stop at nothing to ensure Shelby's life is completely and irrevocably ruined.
