Sport and Monstrosity in Science Fiction Derek J. Thiess, 2019-04-30 This book pits the imaginative sports of science fiction against our widespread suspicion of the monstrous athletic body The biopolitical nature of sport demands we see these bodies as our bodies capable of the greatest physical feats science fiction can imagine but also our worst fears of injury and death

Brazilian Science Fiction M. Elizabeth Ginway, 2004 Science fiction because of its links to science and technology is the consummate literary vehicle for examining the perception and cultural impact of the modernization process in Brazil Because of the centrality of the role played by the military dictatorship 1964 85 in imposing industrialization and economic development policies on Brazil this book examines the genre in the periods before during and after the dictatorship encompassing the years 1960 2000 The analysis shows that a reading of Brazilian science fiction based on its use of paradigms of Anglo American science fiction and myths of Brazilian nationhood provides a unique look into Brazil s modern metamorphosis as it finds itself on the periphery of the globalized world

Reality Simulation in Science Fiction Literature, Film and Television Heather Duerre Humann, 2019-08-27 In recent decades science fiction in both print and visual media has produced an outpouring of story lines that feature forms of simulated reality These depictions appear with such frequency that fictional portrayals of simulated worlds have become a popular sci fi trope one that prompts timeless questions about the nature of reality while also tapping into contemporary debates about emerging technologies In combination with tech driven tensions this study shows that our collective sense of living in politically uncertain times also propels the popularity of these story lines Because of the kinds of questions they raise and the cultural anxieties they provoke these fictional representations provide a window into contemporary culture and demonstrate how we are reassessing our own reality
