And Give You Peace

Dag Heward-Mills

And Give You Peace:

My Peace I Offer You Roger J. Chiang, 2008-11-22 The entire country followed the disappearances of three women who vanished from one of Washington DC's popular neighborhoods. In 1999 a beautiful young Justice Department attorney Joyce Chiang disappeared from the ominous streets of our Nation's Capitol. Three months later Joyce's corpse was discovered in the murky waters of the Potomac River. The FBI and police were only able to theorize how Joyce died. Two years later Chandra Levy disappeared a few blocks from where Joyce vanished. Joyce's murder is brought back into the spotlight but an egomaniacal police chief discredits the case blasphemously professing that Joyce committed suicide to discount the media's assertion that a serial killer was lurking. Joyce's brother Roger goes on the offensive to set the record straight. Despite the tragedy, author Roger J. Chiang learns a life lesson that is transformed into *My Peace I Offer You*. Chiang evangelizes God's Commandment of love for neighbor and revives the lost virtue of brotherhood. **The Word in Season: January, February, March 2021**

Emanuel Swedenborg, 1859 *The Gospel of Numbers* Henry Law, 2025-05-30 The book of Numbers is probably the least read, known, and studied book of the Scripture in spite of its rich prophetic and typical references to the Gospel of Jesus Christ. When you read this book through the lens of the New Testament and keep in mind the eternal plan of redemption that unfolds progressively through the Scripture, you cannot escape the fact that the book of Numbers must play its proper role in this unfolding of that plan. Are you prepared to meet Christ in the book of Numbers? Prepare then yourself to be surprised to find out how much this book speaks of Christ and the Gospel. Henry Law, dean of Gloucester in the 18th century, drives us through the book of Numbers to help us see how the Word of God reveals in a prophetic and typical manner the plan of redemption made even before the creation of this Universe. And Christ is at the very epicenter of this. This book was published originally in 1867. This edition has been proofread, typeset for eBook readers, and lightly updated for modern readers.
