Ross,2021 Say the words evangelical worship to anyone in the United States even if they are not particularly religious and a picture will likely spring to mind unbidden a mass of white middle class worshippers with eyes closed faces tilted upward and hands raised to the sky Yet despite the centrality of this image many scholars have underestimated evangelical worship as little more than a manipulative effort to arouse devotional exhilaration It is frequently dismissed as a reiteration of nineteenth century revivalism or a derivative imitation of secular entertainment three Christian rock songs and a spiritual TED talk But by failing to engage this worship seriously we miss vital insights into a form of Protestantism that exerts widespread influence in the United States and around the world *Evangelical Worship* offers a new way forward in the study of American evangelical Christianity Weaving together insights from American religious history and liturgical studies and drawing on extensive fieldwork in seven congregations Melanie C Ross brings contemporary evangelical worship to life She argues that corporate worship is not a peripheral extra tacked on to a fully formed spiritual political and cultural movement but rather the crucible through which congregations forge argue over and enact their unique contributions to the American mosaic known as evangelicalism Children's Ministry on Purpose Steven J. Adams,2017-03-28 Many children s ministries are a flurry of activity run by dedicated volunteers and staff who put in long hours and work hard for the good of the children and parents they serve Yet despite good intentions many children s ministries today are not effective They lack purpose and intentionality A twenty five year veteran of children s ministry in the local church pastor Steve Adams has ministered to families in multiple churches from tiny church plants to his present position at Saddleback Church In this book Steve applies

the revolutionary insights of the Purpose Driven Church to children's ministry and leads readers on a journey of discovery showing them how to develop an intentional ministry process that moves children toward spiritual health while building a healthy ministry environment for those who work with kids. You will learn how to ask and answer five simple but powerful questions: Why are we on this journey? Where are you and where are you going? Who are we trying to reach? How will we move our children towards spiritual health? What are the essential elements necessary for the journey? There is no single key to a successful children's ministry nor is there only one way that works for everyone. But there is a proven process you can follow and Steve shows how children's ministries all over the world are reaching their God-given potential by discovering their biblical purpose, avoiding the traps of frustration and burnout. *Friendship Leadership* Matt Messner, Rachel

McMurray-Branscombe, 2018-11-29. No one can deny that friendships are powerful relationships of influence. Why not strategically incorporate friendship within a philosophy of leadership? People long for relational models of leadership yet few specific methodologies have been developed. This book examines the friendship of God with humanity and the leadership of Jesus with his disciples to whom he declared, "I no longer call you servants. Instead, I have called you friends." John 15:15. In response to this enduring example of the Divine bringing together both friendship and leadership, this book presents an unexplored model of leadership for the Christian practitioner: Friendship Leadership. The authors of *Friendship Leadership* share research, historical examples, and their personal experiences with this leadership model as they describe both the trials and triumphs. Through this process, the book addresses the primary barriers a leader might experience when utilizing the Friendship Leadership model. Finally, the authors offer a guide for how to incorporate friendship into their leadership, strengthening others as they follow the example of our great Leader. The result is a transformational way of leading that nurtures relationships. Thank God It's Monday Paul Bartlett, 2015-04-01.

Let's face it: this generation is increasingly not waking up Sunday morning thinking, "What's a great church I can go to today?" Part of the problem is that for too long we've made church mostly about Christians doing spiritual stuff on Sundays. Of course we love our Sundays, but we should be even more excited about our Mondays because on those days God has positioned us in shop fronts, in salons, in classrooms, in playgroups, on building sites, and in boardrooms where we can engage with those who don't yet know Him. Church must be less about us and more about others. We should be empowering Christians to act as Christ in their communities Monday through Saturday. That's why Christians should be waking up on Mondays declaring, "Thank God it's Monday." In this thought-provoking book, Paul Bartlett encourages us that we can have a huge influence in our community across our town or city and throughout the nation, and it starts on Monday. **Breathing Room** Josh Reich, 2015-10-13. Finding breathing room in finances, schedules, and relationships leads to enjoying and savoring life instead of simply going through the motions. Breathing Room is a chance not only to catch your breath but to find the road to the life you have come to believe is impossible. Feeling trapped or closed in by the intensity of life is a common ailment in today's world. You may have come to the point of

telling yourself This is just the way it is Don't believe it There is another way Breathing Room will help you understand why you are tired in debt overweight and relationally isolated and how to move forward But before getting to the tips and ideas you will uncover how you got there and why you are living as you are right now Until you uncover those crucial pieces you will simply find yourself spinning your wheels You want to live the life Jesus promised a life that is overjoying and abundant This book holds the answers you need to fulfill that promise Once you read it you will have the breathing room you need

For a New Generation Lee D. Kricher, 2016-08-02 A New Generation Church is a church with attendees whose average age is at least as young as the average age of the community in which the church exists Any church can become a New Generation Church that reaches and continues to reach the next generation The Psalmist writes We will not hide these truths from our children we will tell the next generation about the glorious deeds of the Lord about his power and his mighty wonders Psalm 78:4 NLT No Christian would purposely hide the timeless truths of Christianity from the next generation But often we do not because of the substance of our church but because of the approach of our church For A New Generation is not about changing your church's statement of faith or core beliefs It is about evaluating and changing as needed your church's programs ministries and practices in order to more effectively connect with and stay connected with the next generation Written for both church leaders and members For a New Generation presents 5 practical strategies that will lay a foundation for a church to thrive for generations to come It is based on the assumption that accepting the status quo is the greatest threat to your church's core mission and perhaps to the long term survival of your church Hidden Bible Truths in Plain View Windell Gillis, 2019-01-22 Jesus Christ and the apostles along with Polycarp Ignatius and Hermes carried the true Word of God deep into the first church age Yet Satan attempted to infiltrate the true path of the Word with help from unbelievers who were more than willing to do his dirty work Because of this the structural religious imprints left by ancient pagan civilization began to take a toll on the religious denominational world in such a subtle manner that it has gone unnoticed In Hidden Bible Truths in Plain View author Windell Gillis explains how since the Bible is the only real and perfect truth Christian history can only be real and true if it agrees completely with the Bible This history does Messengers to the seven church ages who are revealed here were able to turn the people back to God in each age if only for a season With Philo having perverted the definition of the Logos which changed the way people worshipped with respect to the Godhead and with so much confusion in the religious world as proven by the forty thousand different denominational groups today something must happen And it did The revelation of Malachi 4 and Revelation 10:7 concerning the mystery of God is unveiled in Hidden Bible Truths in Plain View to the shock of Christians worldwide *The Calling of Congregational Leadership* Larry L. McSwain, 2013-05-30 Leading is a calling from God but that doesn't mean it is easy There are choices to be made about what your congregation believes how your church organizes for effective ministry and how your church serves the settings of which you are a part The good news is that others have gone before you Author Larry L. McSwain's forty years of experience

can help guide you through these choices Rooted in research The Calling of Congregational Leadership teaches a three pronged approach to congregational leadership being a good leader the knowledge needed by the leader and the managing of ministry leadership By using this practical holistic approach to leading congregations McSwain shows you how to use your church s potential for conveying the power of God in the lives you touch The Calling of Congregational Leadership is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God in the world Tools for Rebuilding Michael White, Tom Corcoran, 2013-11-25 Fr Michael White and Tom Corcoran know that the fundamental work of the Church is to evangelize to introduce people to Christ and make them disciples Still they re the first to admit the difficulty comes when we reach down into the details and get to work In their barn burning first book Rebuilt White and Corcoran shared their story and vision of building better Catholic parishes Now in their eagerly anticipated second book Tools for Rebuilding they lay out seventy five proven tactics for getting the job done In Tools for Rebuilding 75 Really Really Practical Ways to Make Your Parish Better White and Corcoran share seventy five foundational tactics that helped to rejuvenate their parish Their candid hands on advice gives a clear way forward one that will make church matter to the people in the pews and that anyone working in parish ministry can implement Principles tactics include Get the Right People on the Bus Christmas Is Over So Throw Out the Dead Poinsettias Stop Advertising Other People s Stuff in Your Bulletin Don t Let the Insiders Take All the Good Seats Just Because It s Slow Doesn t Mean It s Holy When It Comes to First Communion Just Surrender Funerals Are Scud Missiles Preach the Announcements Start Getting Rid of Fundraisers Everything Takes Longer Than You Think Pastor It s Not All About You Stop Trying to Make People Go to Church and Make Church Matter
