Retelling Stories, Framing Culture John Stephens, Robyn McCallum, 2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to Wind in the Willows The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society's central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings

Myth and Creative Writing Adrian May, 2013-11-19 Myth and Creative Writing is a unique and practical guide to the arts of creative writing It Gives a historical perspective on the storyteller s art Takes a wide view of myth to include legends folklore biblical myth classical myth belief myths balladry and song Considers all aspects of the creative process from conception to completion Provides tips on seeking inspiration from classical and mythic sources Shows how myths can be linked to contemporary concerns Enables beginning writers to tap into the deeper resonances of myth Guides students to further critical and creative resources A secret that all writers know is that they are part of a long tradition of storytelling whether they call it mythic intertextual interactive or original And in the pantheon of storytelling myths those stories that tell us in often magical terms how the world and the creatures in it came to be are the bedrock a source of unending inspiration One can dress the study of literature in the finest critical clothing or intellectualise it until the cows come home but at its heart it is nothing more and nothing less than the study of the human instinct to tell stories to order the world into patterns we can more readily understand Exploring the mythic nature of writing by considering where the connections between instinct and art are made and where the writer is also seen as a mythic adventurer is a way of finding close links to what it is we demand from literature which is again something to do with the essences of human nature Further in the course of examining the nature of myth Adrian May provides a very practical guide to the aspiring writer whether in a formal course or working alone on how to write stories myths of their own from how to begin how to develop and how to close *Philo of Alexandria and Greek Myth* , 2019-10-07 In *Philo of Alexandria and Greek Myth Narratives Allegories and Arguments* a fresh and more complete image of Philo of Alexandria as a careful reader interpreter and critic of Greek literature is offered Greek mythology plays a significant role in Philo of Alexandria s exegetical oeuvre Philo explicitly adopts or subtly evokes narratives

episodes and figures from Greek mythology as symbols whose didactic function we need to unravel exactly as the hidden teaching of Moses narration has to be revealed by interpreters of Bible By analyzing specific mythologems and narrative cycles the contributions to this volume pave the way to a better understanding of Philo s different attitudes towards literary and philosophical mythology

In the Beginning Jerrold E. Levy, 2023-04-28 Jerrold E Levy s masterly analysis of Navajo creation and origin myths shows what other interpretations often overlook that the Navajo religion is as complete and nuanced an attempt to answer humanity s big questions as the religions brought to North America by Europeans Looking first at the historical context of the Navajo narratives Levy points out that Navajo society has never during its known history been either homogeneous or unchanging and he goes on to identify in the myths persisting traditions that represent differing points of view within the society The major transformations of the Navajo people from a northern hunting and gathering society to a farming then herding then wage earning society in the American Southwest were accompanied by changes not only in social organization but also in religion Levy sees evidence of internal historical conflicts in the varying versions of the creation myth and their reflection in the origin myths associated with healing rituals Levy also compares Navajo answers to the perennial questions about the creation of the cosmos and why people are the way they are with the answers provided by Judaism and Christianity And without suggesting that they are equivalent Levy discusses certain parallels between Navajo religious ideas and contemporary scientific cosmology The possibility that in the future Navajo religion will be as much altered by changing conditions as it has been in the past makes this fascinating account all the more timely This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 Jerrold E Levy s masterly analysis of Navajo creation and origin myths shows what other interpretations often overlook that the Navajo religion is as complete and nuanced an attempt to answer humanity s big questions as the religions brought to North Am
