The Culture Series of Iain M. Banks Simone Caroti, 2018-07-26 This critical history of Iain M Banks Culture novels covers the series from its inception in the 1970s to the *The Hydrogen Sonata* 2012 published less than a year before Banks death It considers Banks origins as a writer the development of his politics and ethics his struggles to become a published author his eventual success with *The Wasp Factory* 1984 and the publication of the first Culture novel *Consider Phlebas* 1987 His 1994 essay *A Few Notes on the Culture* is included along with a range of critical responses to the 10 Culture books he published in his lifetime and a discussion of the series status as utopian literature Banks was a complex man both in his everyday life and on the page This work aims at understanding the Culture series not only as a fundamental contribution to science fiction but also as a product of its creator s responses to the turbulent times he lived in

Narratives at the Beginning of the 3rd Millennium Jessica Homberg-Schramm, Anna Rasokat, Felicitas Schweiker, 2016-12-14 This volume offers a cross disciplinary approach to narratives in the 21st century in response to the growing scholarly concern with the decreasing explanatory capacity of theoretical concepts and narrative configurations originating in postmodernism The essays collected here meet this conceptual gap by offering cutting edge research from a variety of disciplines such as literary studies and design and media studies as well as social sciences all of which employ narrative models to explore the distinctive patterns which shape contemporary conceptions of the 3rd millennium

In the Beginning Edward Eidolon, 2022-08-03 Book two of *Mandala* the mind bending action thriller that melds the mundane and the magical the real and the surreal the brutal and the beautiful How do you hunt a lost soul In a sprawling urban core of everyday America Gradie pushes on the edge of reality and finds something more A world he will never remember A story he can t forget An invitation to join an odd group of assassins and an unlikely group of friends He will face neon eyes that search

through his memories astral teachers who demand his identity as sacrifice and trials of spirit that shatter everything he believes makes him who he is until something else forms in the ruins A Hardworlder A journey of Souls A war of Realities A struggle of spirits An epic saga unlike any other that s only just beginning

The Cambridge Companion to Science Fiction Edward James, Farah Mendlesohn, 2003-11-20 Science fiction is at the intersection of numerous fields It is a literature which draws on popular culture and which engages in speculation about science history and all types of social relations This volume brings together essays by scholars and practitioners of science fiction which look at the genre from these different angles After an introduction to the nature of science fiction historical chapters trace science fiction from Thomas More to more recent years including a chapter on film and television The second section introduces four important critical approaches to science fiction drawing their theoretical inspiration from Marxism postmodernism feminism and queer theory The final and largest section of the book looks at various themes and sub genres of science fiction A number of well known science fiction writers contribute to this volume including Gwyneth Jones Ken MacLeod Brian Stableford Andy Duncan James Gunn Joan Slonczewski and Damien Broderick

Art and Idea in the Novels of China Miéville Carl Freedman, 2015-09-07 This book offers in the first six chapters critical readings of six novels by China Mi ville which are followed in the seventh chapter by a theoretical meditation on some of the conceptual issues raised by and engaged in the Mi ville oeuvre There comes a moment in *The City* the City though it is not necessarily the same moment for every reader when you realise that Beszel and Ul Qoma are not separate realms but the same space divided Likewise art and idea are often subject to absurd partition but then along comes an author such as China Mi ville who shows them to be in truth indissoluble So argues Freedman s inordinately readable and just as rigorous account of Mi ville s major novels Highly recommended Mark Bould University of the West of England Freedman offers a compelling interpretation of Mi ville s novels informed equally by an impressive range of literary influences and a carefully documented exploration of historical antecedents Seeing Mi ville s genre hybridity as an illustration of the power of dialectical thinking Freedman illuminates the complex utopian project of Mi ville s fiction Freedman is one of our finest critical voices on Mi ville one of the most important speculative writers of the 21st century Sherryl Vint University of California Riverside
