

FACULTY OF EDUCATION:

Rhodes offers two ways to qualify as a professional teacher:

- Through a four-year Bachelor of Education (Foundation Phase Teaching) degree
- By complete a bachelor's degree in another Faculty and then cap it with the one-year Postgraduate Certificate in Education (PGCE)

If you are planning to do a PGCE, please check your undergraduate curriculum with the Dean of Education. This is to ensure you have the appropriate subjects required for teaching in your undergraduate degree.

Degrees	Requirements	Phases
Bachelor of Education (BEDFP) 4 years	40+ (32 – 39 Dean's Discretion) Two languages at level 4, Maths at level 3 / Maths Lit at level 4	Foundation Phase Teaching
Postgraduate Certificate in Education (PGCE) 1 years	Bachelor's Degree	Foundation Phase Teaching (Grade R-3), Intermediate Phase Teaching (Grade 4-6), Senior Phase Teaching (Grade 7-9) and FET Teaching (Grade 10-12)

On Chester On Graeme J. White, 2015-05-19 Although there has been a University of Chester only since 2005 its predecessor Chester College dates back further than most UK universities to 1839 This book celebrates the 175th anniversary of the foundation in 2014 The story is a remarkable one of survival and success The early College was a pioneering venture with a unique approach to learning and the University still houses the first buildings in England specifically designed for the training of teachers Three times in the 1860s the 1930s and the 1970s Chester College came near to closure only repeatedly to emerge intact and to become stronger than before In the early twenty first century the University has a growing reputation within the higher education sector and can claim some of the highest rates of student satisfaction in the country The book s title is taken from the College motto of the late Victorian and Edwardian period as appropriate today as when it was coined Papers, 1959 *Post-graduate Courses and Arrangements for Research* University College, London, 1924 **Geobulletin** Geological Society of South Africa, 1996 Quarterly news bulletin Kwartaallikse nuusbuletin **Area Handbook for the Republic of South Africa** Irving Kaplan, 1971 **Undergraduate Courses of Study** University of Pennsylvania, 1918 **Report** South Africa. University Commission, 1928 Integrative Learning in US Undergraduate Public Health Education: Effective High-Impact Practices Andrew Harver, Katie Darby Hein, Terrel Lee Rhodes, 2020-01-28 This current Research Topic does not derive directly from Boyer s Model of Scholarship but nonetheless represents a well timed exploration and example of where higher education has progressed in bringing the innovative integrative conceptualization of higher education scholarship and practice laid out by Boyer to realization through the growing arena of undergraduate public health programs At the same time the authors included here were invited to specifically address a second arena of scholarly practice associated with additional elements of Boyer s legacy effective High Impact Practices HIPs practices that engage students faculty and often broader communities in integrative learning that connect academic and extra academic learning environments Undergraduate public health programs are perfectly positioned to provide a framework for integrated learning through High Impact Practices Such practices encompass not only the essential learning outcomes that employers continue to demand critical thinking working with diverse others written and oral communications ethics analysis etc but also a curriculum that is scaffolded and replete with opportunities to practice and enhance performance and application of knowledge and abilities to important personal social and global challenges and needs *Race Against the Ratios* Vanessa Gaydon, 1987 Bibliography on Medical Education National Library of Medicine (U.S.), 1966 Designing and Teaching Undergraduate Capstone Courses Robert C. Hauhart, Jon E. Grahe, 2015-01-12 Enrich your students and the institution with a high impact practice Designing and Teaching Undergraduate Capstone Courses is a practical research backed guide to creating a course that is valuable for both the

student and the school The book covers the design administration and teaching of capstone courses throughout the undergraduate curriculum guiding departments seeking to add a capstone course and allowing those who have one to compare it to others in the discipline The ideas presented in the book are supported by regional and national surveys that help the reader understand what is common what is exceptional what works and what doesn't within capstone courses The authors also provide additional information specific to different departments across the curriculum including STEM social sciences humanities fine arts education and professional programs Identified as a high impact practice by the National Survey of Student Engagement NSSE and the Association of American Colleges and Universities LEAP initiative capstone courses culminate a student's final college years in a project that integrates and applies what they've learned The project takes the form of a research paper a performance a portfolio or an exhibit and is intended to showcase the student's very best work as a graduating senior This book is a guide to creating for your school or department a capstone course that ties together undergraduate learning in a way that enriches the student and adds value to the college experience Understand what makes capstone courses valuable for graduating students Discover the factors that make a capstone course effective and compare existing programs both within academic disciplines and across institutions Learn administrative and pedagogical techniques that increase the course's success Examine discipline specific considerations for design administration and instruction Capstones are generally offered in departmental programs but are becoming increasingly common in general education as well Faculty and administrators looking to add a capstone course or revive an existing one need to understand what constitutes an effective program

Designing and Teaching Undergraduate Capstone Courses provides an easily digested summary of existing research and offers expert guidance on making your capstone course successful
