2014 Geography Paper 2 September

Leif Christian Jensen, Geir Hønneland

2014 Geography Paper 2 September:

The SIJORI Cross-Border Region Francis E Hutchinson, Terence Chong, 2016-06-14 Twenty five years ago the governments of Singapore Malaysia and Indonesia agreed to jointly promote the city state the state of Johor in Malaysia and the Riau Islands in Indonesia Facilitated by common cultural references a more distant shared history and complementary attributes interactions between the three territories developed quickly Logistics networks have proliferated and production chains link firms based in one location with affiliates or transport facilities in the other territories These cross border links have enabled all three locations to develop their economies and enjoy rising standards of living Initially economic in nature the interactions between Singapore Johor and the Riau Islands have multiplied and grown deeper Today people cross the borders to work go to school or avail of an increasing range of goods and services New political social and cultural phenomena have developed Policymakers in the various territories now need to reconcile economic imperatives and issues of identity and sovereignty Enabled by their proximity and increasing opportunities families have also begun to straddle borders with resulting questions about citizenship and belonging Using the Cross Border Region framework which seeks to analyse these three territories as one entity simultaneously divided and bound together by its borders this book brings together scholars from a range of disciplines Its 18 chapters and more than 20 maps examine the interaction between Singapore Johor and the Riau Islands over the past quarter century and seek to shed light on how these territories could develop in the future

Banking on Equality Supriti Bezbaruah, 2015-03-24 It may well be surprising to say that the world should look to India as a model of gender equality India s banking sector proves the exception with several women reaching the highest positions in India s top banks including the country s largest bank Based on interviews and surveys of bank employees in India s National Capital Region this book looks at what lies behind the media rhetoric and provides a systematic analysis of patterns of and responses to gender inequality in the banking sector in India The book uncovers how gender discrimination still persists in the banking sector albeit in covert forms Through a comparison of nationalized Indian private and foreign banks the book demonstrates how the impact of laws local cultural norms and gendered workplace practices are mediated through different organizational forms in these different types of banks to create varied experiences of gender inequality The book is one of the first books to provide a thorough in depth analysis of women s employment in the Indian banking sector currently an under researched area

Mega-Event Mobilities Noel B. Salazar, Christiane Timmerman, Johan Wets, Luana Gama Gato, Sarah Van den Broucke, 2016-12-01 Global sports events are rarely far from the public eye Such mega events are about much more than the sporting competitions themselves They entail global exposure and intense struggles by different stakeholders This is the first book to examine sports mega events from a mobilities perspective It analyses the mobile construction of global sports mega events and the role this plays in managing labour imaginaries policies and legacies In particular the book focuses on the tension between the various mobilities and immobilities that are implied in the process of constructing a mega

event It seeks to uncover the ways in which an event is a series of fluid interactions that occur sequentially and simultaneously at multiple scales in diverse spheres of interaction Contributions explore the dynamics through which mega events occur revealing the textures and nuance of the complex systems that sustain them and the ways that events ramify throughout the international system
