EASYUNI Ultimate University Guide 2015 easyuni sdn bhd, 2015-03-02 New Year New Possibilities Happy 2015 Time really lies and we're already on our fifth issue of the easyuni.com Ultimate University Guidebook. The start of every year is a time filled with optimism, hopes and aspirations. It's when plans and resolutions are made to achieve new breakthroughs and success. What's sad though is most people fail to realize their goals by giving up, not working hard enough or even not having the courage to see through hard times. For the most part though it's due to not being 100% absolutely clear on your goals and knowing what to do to achieve them. That's why easyuni.com was born to help students make the best possible decision for possibly the most important decision in their life: knowing what and where to study. We're super excited with our first issue of 2015 and hope it gets you pumped up to achieve your goals, face new challenges, head on, grow and discover just how awesome you are. In this issue you definitely want to check these out: Music fans can check out how to be a superstar music teacher. College life stressing you out? Read up some cool and creative ways to stay stress-free and kick butt in college. See how being a hero online gamer can possibly earn you some serious moolah. Yeah, we're awesome like that to go out of our way to give you best advice to have a rocking college life. And many more cool stuffs on school scholarships and some cool tips on how to ace your classes. Psst! We're cooking something super top secret and exciting for April's issue and because we love our student readers so much, here's a tiny teaser: it's bloody ace mate and gonna be epic. Hint: note the colloquialism and you may have an idea. Wishing you a rocking 2015 and hoping you enjoy this issue. Edwin Tay, CEO.

Economics of Engineering Education in India Jandhyala B. G. Tilak, 2023-08-28 This volume focuses on the key trends and major developments in engineering education in India and reflects on the effects and challenges of its expansion on economic growth and development. Analysing several dimensions relating to the status and growth of engineering education, this book highlights in the overall policy environment the rapid growth of engineering education, imbalances in the growth between different branches of engineering education, changing trends and patterns in their growth, quality of education, gender inequality and inequality by caste, region and economic status, and labour market conditions that influence the demand for engineering education. Reflects on the rapid growth of private sector in engineering education and its effects on equitable access, quality and other dimensions of higher education, and on overall development of the economy. Investigates the socio-economic characteristics of the students going to private colleges, universities, financing by the government vis-à-vis students' households, the unsteady growth in public financing of engineering education and educational loans as a method of financing. Explores the reasons behind the increasing demand of engineering education and the factors that have contributed to the rise of electronics engineering, computer science engineering and information technology related areas of engineering as against some conventionally popular disciplines of engineering. This volume will be of interest to students, teachers and researchers of education, higher education, engineering education, economics of education, sociology of education and education and public

policy It will also be useful for policymakers and administrators in higher education engineering technical education in BRIC countries and those interested in the study and growth of engineering education in advanced as well as emerging economies

Excellence in University Leadership and Management Case Histories Dan Remenyi, 2021-10-01 This book provides 16 case histories from universities which have been successful in facing up to the challenges of the 21st Century The initiatives described here vary enormously as do the institutions and countries from where they come and this gives the reader an idea of the wide range of issues which require addressing The book has contributions from Brazil Bulgaria Canada Finland Netherlands Norway Sweden Switzerland the UK and the USA , *Economic Review, Kerala* , 2015 *Achievement and Inclusion in Schools* Lani Florian, Kristine Black-Hawkins, Martyn Rouse, 2016-07-22 Thoroughly updated to reflect the challenges of diversity in today's schools this new edition of *Achievement and Inclusion in Schools* shows how high levels of inclusion can be entirely compatible with high levels of achievement and that combining the two is not only possible but also essential if all students are to have the opportunity to participate fully in education Each chapter has been fully revised to reflect an understanding of inclusion as being concerned with the learning and participation of everyone in a changing education policy context Based on new case study research this edition sets out to answer the following questions Are there strategies which can raise the achievement of all students while safeguarding the inclusion of others who are more vulnerable How can schools ensure high levels of inclusion as well as high levels of achievement for everyone How might research into these matters be carried out With new case studies in this second edition that reflect the devolution of education policy in the four countries of the UK this book addresses concerns about how schools can respond to differences between learners without marginalising some of them It offers guidance to practitioners as well as those undertaking research on this important topic Medical Colleges Around the World Saksham Chaudhry, **Private Schools and School Choice in Compulsory Education** Thomas Koinzer, Rita Nikolai, Florian Waldow, 2017-07-03 Marketization and privatization in compulsory education have spread around the globe School choice is seen by many to be the panacea to develop the quality of schools and improve school systems worldwide Additionally in many countries several types of private schools expand and change the school landscapes The articles of the anthology analyse and discuss these changes in several countries and ask to what extent and in which ways school choice and the growth of private school play a role for education policies and education systems Which political and civil society actors are active in formulating and promoting school choice and private schooling And to what extent does the expansion of private schools and school choice address questions of educational inequality and social segregation *India's Public Health Care Delivery* Sanjeev Kelkar, 2021-03-05 This book describes the present awful state of India's Public Health Care Delivery its dismal planning and implementation It argues that it can be remedied comprehensively and effectively using its own already present resources A radical re evaluation of some sacrosanct ideas and discarding many of these especially in Primary Care and its structure is required It can be done

without disadvantage to the last man served This book starts with the sea change India has undergone and emphasizes new ways of managing health High quality work force creation and its deployment an unsolved problem is effectively given a solution The bulk of the book discusses the entire public health care structure and function and how it can be newly laid out with proper work force allocation hitherto grossly inadequate including professionals from other training backgrounds It is total solution that will help India to achieve the goal of Universal Health Care **Financing of Higher Education** N.V.

Varghese, Jinusha Panigrahi, 2023-01-24 This book reviews and analyses higher education financing and explores the innovative ways by both public higher education and private higher education institutes in the context of globalization with India Russia and Tanzania as a case study It examines the diverse policy discourses which greatly influence the higher education systems based on evidence based research This book is arranged into four major themes Part 1 deals with the various possible modes of financing of higher education such as the credit market and voucher system Part 2 deals with strategies to mobilize the resources Part 3 deals with innovative and sustainable approaches to financing private higher education institutions Part 4 discusses the policies and limitations with external financing of higher education It is an interesting collection of various themes in different chapters by serious researchers It is an excellent read for students educators and policymakers interested in alternative and innovative practices in higher education financing It is a highly informative book for researchers providing insights on how social and political dynamics impact higher education financing
