Bank Exam Pedia Bharath Seeman,2015-02-17 In this present era of competition every competitive examination consists of 5 sections Quantitative Aptitude Reasoning General English Computer Science and General Awareness related to banking industry After teaching more than 18 000 students in 28 years we have seen a lot of students spending their time practicing aptitude and reasoning alone But the students who cleared the exam would definitely say the above method of practicing would not help because merely passing in Aptitude and Reasoning sections will not help Students should also think about the other sections and overall cut off We know a lot of students who cleared all the sections but failed to clear the overall cut off In fact Practicing GK and English is the only way to raise the overall cut off So we have decided to dedicate this entire magazine just for General Awareness Banking awareness We sincerely believe that students who practice the next 100 pages would secure 40 marks from the Banking awareness section We thank Google Play for publishing our e magazine on their mobile platform We also thank our students who assisted to bring this magazine out **Preparing for The**

Parkinson,Drew Hinshaw,2021-03-02 A 2021 Daily Telegraph Book of the Year Had me gripped from the outset Fergal Keane Everyone should read the testimonies of the Chibok girls who survived the capture Malala In the spring of 2014 an American hip hop producer unwittingly triggered an online hurricane with a quickly thumbed tweet featuring a four word demand BringBackOurGirls The hashtag called for the release of 276 Nigerian schoolgirls who d been kidnapped by a little known Islamic terrorist sect called Boko Haram Within hours the campaign had been joined by millions including some of the world s most recognizable people Oprah Winfrey Pope Francis David Cameron Kim Kardashian and Michelle Obama Their tweets launched an army of would be liberators American soldiers and drones Swiss diplomats spies and glory hunters into an obscure conflict in a remote part of Nigeria that had barely begun to use the internet But when hostage talks and military intervention failed the schoolgirls were forced to take survival into their own hands As the days in captivity dragged into years they became witnesses and often victims of unspeakable brutality that they chronicled in secret diaries Many of the girls were Christians who refused to take the one easier path offered to them converting their captors extremist creed Bring Back Our Girls is an urgent and engrossing work of investigative journalism that unfolds across four continents from the remote forests of northern Nigeria to the White House from Khartoum safe houses to gilded hotel lobbies in the Swiss Alps It plumbs the promise and peril of an era whose politics are fuelled by the power of hashtag advocacy and at its centre stand
