

Treating customers fairly: An opportunity – not a cost

Mr Stephen Rosling from TCF Consulting Ltd introduces the concept of “conduct risk”, an emerging term that is an evolution of the principles of treating customers fairly. It is good business to have good conduct and to develop a good reputation. It also puts you on the right side with the regulators. So this behaviour is an opportunity and not a cost.

With consumer protection reforms beginning to taking hold across the globe, the C-suite and Boards of Directors are beginning to take notice of how they are being evaluated for their actions (or inaction). Some executives may be anxious or even panicky due to recent headlines surrounding fines relating to, ultimately, the poor treatment of customers. No executive wants to wake up to find his company's name, let alone his own name, splashed across the morning newspaper headlines.

To help prevent this situation from happening, what approach do you use to manage and balance corporate behaviour before it is time to panic?

It's really all about managing “conduct risk”

Focus is on the customer

In the financial regulatory domains, the concept of “conduct risk” is an emerging term that many see as an evolution of the principles of “treating customers fairly”.

While conduct risk is being discussed and debated within business circles across the globe, the term itself has no universally agreed upon definition. Perhaps this is because defining what constitutes fairness, good conduct or what “good enough governance” entails can be so arbitrary and broad to

a financial institution's various stakeholders. What is clear however, is that the clear focus of these regulatory changes is the “customer” – the person who buys and uses the insurance product.

Even without a consensus on a clear meaning of these terms, there does seem to be some converging agreement on what forms the basis of the conduct risk construct.

According to a recent survey of financial institutions sponsored by Thomson Reuters Accelus group, conduct risk encompasses the broad categories of:

- An organisation's culture;
- Corporate governance;
- Conflicts of interest; and
- Reputation.

Other international bodies groups such as the Organization for Economic Co-operation and Development (OECD) and the Financial Stability Board (FSB) take a more focussed view and relate the concept of conduct risk to a principle-based framework grounded on the fair treatment of customers, ie, consumer protection and consumer confidence.

Start dialogue with internal stakeholders

Whatever approach to defining conduct risk might fit your organisation's risk management structure, now may be the time to start a dialogue with internal stakeholders to get a jump start on understanding how this new phenomenon of conduct risk may affect your firm.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the 2014 Lifescience Novermber Memorandum full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of 2014 Lifescience Novermber Memorandum eBooks, including some popular titles.

FAQs About 2014 Lifescience November Memorandum Books

What is a 2014 Lifescience November Memorandum PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a 2014 Lifescience November Memorandum PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a 2014 Lifescience November Memorandum PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a 2014 Lifescience November Memorandum PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a 2014 Lifescience November Memorandum PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
