

Short Answer Questions

Question 1

Organizations pursuing change take the business environment into account as they seek to gain or enhance effective business performance. But is being aware of, reacting to, and responding to the business environment necessary?

- a. It is because organizations are important stakeholders. Owners or other stakeholders, and not others, drive the business. Hence, organizations respond to stakeholders. Hence, it is necessary to identify, describe, and identify key stakeholders and respond and "play better" with the stakeholders better.
- b. It is because not responding to the business environment is a business mistake. Hence, not responding to the business environment is a business mistake. Hence, it is necessary to identify, describe, and identify key stakeholders and respond and "play better" with the stakeholders better.
- c. The business environment is based on stakeholders and, hence, it is necessary to identify, describe, and identify key stakeholders and respond and "play better" with the stakeholders better.
