World History- Connections to Today
Chapter 36- Africa (1945-Present)
Section 2- Programs For Development
Pages 914-919
Answer Key

1. Newly independent African nations face what two critical issues?

A) Create unified states with stable governments.

B) Achieve economic growth that would improve the standard of living of their people.

2. Colonial borders had left most African nations a patchwork of people with diverse cultures, languages, and histories.

3. Once freed from colonial rulers, was very many Africans felt their first loyalty was to their own ethnic group.

4. What is a one-party system? A country that has a single political party, or only one party that has any real likelihood of winning elections. Most one-party nations are authoritarian states.

5. More than half of all African nations have had military coups since independence.

6. Developing modern economies in Africa, or anywhere, means improving agriculture and developing industry.

7. (circle the correct choice) True/False: Many newly independent nations chose socialism.

8. Socialism means that the government makes economic decisions about using scarce resources.

9. Some African nations set up mixed economies with both private and state-run enterprises.

The Trouble with Textbooks Gary A. Tobin, Dennis R. Ybarra, 2008-07-31 School textbooks in Iran Saudi Arabia Egypt and elsewhere in the Arab and Muslim worlds are filled with anti Western and anti Israel propaganda Most readers will be shocked to discover that history and geography textbooks widely used in America s elementary and secondary classrooms contain some of the very same inaccuracies about Jews Judaism and Israel Did you know that there is no record of any important Jewish contribution to the sciences World Civilizations Thomson Wadsworth Or that Christianity was started by a young Palestinian named Jesus The World Scott Foresman Pearson Supplemental materials and other classroom influences are even worse The Trouble with Textbooks exposes the poor scholarship and untruths in textbooks about Jews and Israel The problems uncovered in this ground breaking analysis are instructive and illustrate the need for reform in the way textbooks are developed written marketed and distributed Substitute another area how we teach American history Western civilization or comparative religion and we have another equally intriguing case study The Trouble with Textbooks shows what can go terribly wrong in discussing religion geography culture or history and in this case all of them The Trouble with Textbooks tells a cautionary tale for all readers whatever their background of how textbooks that Americans depend on to infuse young people with the values for good citizenship and to help acculturate students into the multicultural salad that is American life instead disparage some groups and teach historical distortions With millions of young people using these textbooks each year the denigration of some should be a concern for all **Sexuality in World History** Peter N.

Stearns, 2017-02-14 This book examines sexuality in the past and explores how it helps explain sexuality in the present The subject of sexuality is often a controversial one and exploring it through a world history perspective emphasizes the extent to which societies including our own are still reacting to historical change through contemporary sexual behaviors values and debates This new edition examines these issues on a global scale with attention to anthropological insights on sexuality and their relationship to history the dynamics between sexuality and imperialism sexuality in industrial society and trends and conflicts surrounding views of sex and sexuality in the contemporary world *AP® World History* Jay P. REA the test prep AP teachers recommend **American Multicultural Studies** Sherrow O. Pinder, 2013 American Multicultural Studies Diversity of Race Ethnicity Gender and Sexuality provides an interdisciplinary view of multicultural studies in the United States addressing a wide range of topics that continue to define and shape this area of study Through

this collection of essays Sherrow Pinder responds to the need to open up a rich avenue for addressing current and continuing issues of race gender ethnicity sexuality cultural diversity and education in their varied forms Substantial thematic overlaps are found between sections and essays all of which are oriented toward a single broad objective to develop new and different ways of addressing how multicultural issues in their discursive sociocultural contexts are inextricably linked to the operations of power Power as a site of resistance to which it invariably gives rise is tackled from a perspective that attends to the complexities of America s history and politics

World History Eric Vanhaute,2013-07-24 World History An Introduction provides readers with the knowledge and tools necessary to understand the global historical perspective and how it can be used to shed light on both our past and our present A concise and original guide to the concepts methods debates and contents of world history it combines a thematic approach with a clear and ambitious focus Each chapter traces connections with the past and the present to explore major questions in world history How did humans evolve from an endangered species to the most successful of them all How has nature shaped human history How did agricultural societies push human history in a new direction How has humankind organized itself in ever more complex administrative systems How have we developed new religious and cultural patterns How have the paths of The West and The Rest diverged over the last five centuries How at the same time has the world become more interconnected and globalized How is this world characterized by growing gaps in wealth poverty and inequality Sharp and accessible Eric Vanhaute s introduction to this exciting field demonstrates that world history is more of a perspective than a single all encompassing narrative an instructive new way of seeing thinking and doing It is an essential resource for students of history in a global context
