Answer To Job Carl Jung:

Jung's Answer to Job Paul Bishop, 2014-12-18 Greeted with controversy on its publication Answer to Job has long been neglected by many serious commentators on Jung This book offers an intellectual and cultural context for C G Jung's 1952 publication In Jung's Answer to Job A Commentary the author argues that such neglect is due to a failure to understand Jung's objectives in this text and offers a new way of reading the work The book places Answer to Job in the context of biblical commentary and then examines the circumstances surrounding its compositions and immediate reception A detailed commentary on the work discusses the major methodological presuppositions informing it and explains how key Jungian concepts operate in the text Jung's Answer to Job A Commentary unravels Jung's narrative by reading it in the chronological order of the biblical events it analyses and the book to which it refers offering a comprehensive re-reading of Jung's text An original argument put across in a scholarly and accessible style provides an essential framework for understanding the work Whilst taking account of the tenets of analytical psychology this commentary underlines Answer to Job's more general significance in terms of cultural history It will be invaluable to students and scholars of analytical psychology the history of ideas intercultural studies comparative literature religion and religious studies

Answer to Job C. G. Jung, 2012-01-12 Considered one of Jung's most controversial works Answer to Job also stands as Jung's most extensive commentary on a biblical text Here he confronts the story of the man who challenged God the man who experienced hell on earth and still did not reject his faith Job's journey parallels Jung's own experience as reported in The Red Book Liber Novus of descending into the depths of his own unconscious confronting and reconciling the rejected aspects of his soul This paperback edition of Jung's classic work includes a new foreword by Sonu Shamdasani Philemon Professor of Jung History at University College London Described by Shamdasani as the theology behind The Red Book Answer to Job examines the symbolic role that theological concepts play in an individual's psychic life

Answer to Job C.G. Jung, 2013-09-13 Of all the books of the Bible few have had more resonance for modern readers than the Book of Job For a world that has witnessed great horrors Job's cries of despair and incomprehension are all too recognizable The visionary psychotherapist Carl Gustav Jung understood this and responded with this remarkable book in which he set himself face to face with the unvarnished spectacle of divine savagery and ruthlessness Jung perceived in the hidden recesses of the human psyche the cause of a crisis that plagues modern humanity and leaves the individual like Job isolated and bewildered in the face of impenetrable fortune By correlating the transcendental with the unconscious Jung writing not as a biblical scholar but as a layman and physician who has been privileged to see deeply into the psychic life of many people offers a way for every reader to come to terms with the divine darkness which confronts each individual

Pierre Teilhard de Chardin and Carl Gustav Jung: Side by Side Fred Gustafson, 2015-03-21 Pierre Teilhard de Chardin and C G Jung Side by Side is an anthology written by authors from different backgrounds sharing how the lives of Pierre Teilhard de Chardin and Carl Gustav Jung impacted them personally and or how they understand the relevance of these two men for our present times Contributors to this fourth volume of the Fisher King Review include John Dourley Peter Dunlap Barbara Faris Fred R Gustafson John Giannini Richard W Hanhardt Robert Henderson Steven B Herrmann Jane A Kelley Jon Magnuson Francisco Paco Martorell Stan V McDaniel Dennis L Merritt and Laura A Weber Though C G Jung and Pierre Teilhard de Chardin never met their independent intellectual inquiries and courageous researches pushed the personal and collective soul forward and placed both of them at the foreground of needing to understand and integrate on a planetary level the core values of their expansive work Both Jung and de Chardin were concerned with science and religion and operated within these paradigms Both of them shook the world by offering up views on one hand of the profound depths of the human psyche and on the other presenting a profound re consideration of evolution as a process leading toward a social unification of the planet One used the concept of individuation the other spoke of evolution Each took these concepts to a creative depth so much so that the world they lived in either deeply admired or detested them Both had conflicts in their chosen fields Jung was a psychologist who used the field of science to explore the religious depths of the human soul by studying mythology world religions folk tales dreams and human behavior Chardin used the ground of religion to work in the field of science via

paleontology geology and physics as he explored a deeper and relevant understanding of evolution Though each began from different intellectual platforms they each crisscrossed into the other's territory of inquiry and related their ideas to include the full scope of humanity One went deeply into soul and found matter whereas the other went deeply into matter and found soul In their own ways both spent their careers trying to heal the split between spirit and matter in the weltanschauung of their times reflected in the human psyche and in the general religious views permeating most of Western culture

Viktor Frankl Marshall H. Lewis, 2019-05-02 This book accomplishes two distinct tasks First it develops the psychological theory of Dr Viktor E Frankl as a literary hermeneutic Second it applies the hermeneutic by reading the book of Job Key issues emerge through three movements The first movement addresses Frankl's concept of the feeling of meaninglessness and his rejection of reductionism and nihilism The second movement addresses the dual nature of meaning an association is revealed between Frankl's understanding of meaning and the Joban understanding of wisdom The third movement involves an exploration of Frankl's ideas of ultimate meaning and self transcendence As a Holocaust survivor Frankl had a personal stake in the effectiveness of his approach He lived the suffering about which he wrote Because of this reading the book of Job with a hermeneutic based on Frankl's ideas will present readers with opportunities to discover unique meanings and serve to clarify their attitudes toward pain guilt and death As meaning is discovered through participation with the text we will see that Job's final response can become a site for transcending suffering

Letters of C. G. Jung C.G Jung, 2015-06-05 In May 1956 in his eighty second year Jung first discussed with Gerhard Adler the question of the publication of his letters Over many years Jung had often used the medium of letters to communicate his ideas to others and to clarify the interpretation of his work quite apart from answering people who approached him with genuine problems of their own and simply corresponding with friends and colleagues Many of his letters thus contain new creative ideas and provide a running commentary on his work From some 1 600 letters written by Jung between the years 1906 1961 the editors have selected over 1 000 Volume 2 contains 460 letters written between 1951 and 1961 during the last years of Jung's life when he was in contact with many people whose names are familiar to the English reader These include Mircea Eliade R F C Hull Ernest Jones Herbert Read J B Rhine Upton Sinclair and Fr Victor White Volume 2 also contains an addenda with sixteen letters from the period 1915 1946 and a subject index to both volumes The annotation throughout is detailed and authoritative

The God Archetype in Carl Jung's Book "Answer to Job" John Joseph Elia (Jr.), 1991 *Paul Tillich, Carl Jung and the Recovery of Religion* John P. Dourley, 2008-06-30 Is religion a positive reality in your life If not have you lost anything by forfeiting this dimension of your humanity This book compares the theology of Tillich with the psychology of Jung arguing that they were both concerned with the recovery of a valid religious sense for contemporary culture Paul Tillich Carl Jung and the Recovery of Religion explores in detail the diminution of the human spirit through the loss of its contact with its native religious depths a problem on which both spent much of their working lives and energies Both Tillich and Jung work with a naturalism that grounds all religion on

processes native to the human being Tillich does this in his efforts to recover that point at which divinity and humanity coincide and from which they differentiate Jung does this by identifying the archetypal unconscious as the source of all religions now working toward a religious sentiment of more universal sympathy This book identifies the dependence of both on German mysticism as a common ancestry and concludes with a reflection on how their joint perspective might affect religious education and the relation of religion to science and technology Throughout the book John Dourley looks back to the roots of both men s ideas about mediaeval theology and Christian mysticism making it ideal reading for analysts and academics in the fields of Jungian and religious studies **Reading from Right to Left** J. Kabbalistic Visions Sanford L. Drob,2023-04-06 In 1944 C G Jung experienced a series of visions which he later described as the most tremendous things I have ever experienced Central to these visions was the mystic marriage as it appears in the Kabbalistic tradition and Jung s experience of himself as Rabbi Simon ben Jochai the presumed author of the sacred Kabbalistic text the Zohar Kabbalistic Visions explores Jung s 1944 Kabbalistic visions the impact of Jewish mysticism on Jungian psychology Jung s archetypal interpretation of Kabbalistic symbolism and his claim late in life that a Hasidic rabbi the Maggid of Mez hirech anticipated his entire psychology This book places Jung s encounter with the Kabbalah in the context of the earlier visions and meditations of his Red Book his abiding interests in Gnosticism and alchemy and what many regard to be his Anti Semitism and flirtation with National Socialism Kabbalistic Visions is the first full length study of Jung and Jewish mysticism in any language and the first book to present a comprehensive Jungian archetypal interpretation of Kabbalistic symbolism *Illuminating the Narrow Gate* Karl R. Luther,2022-01-17 The apocalyptic end times have finally arrived What is coming to an end though is not what you have been led to believe Do you desire the truth about God our

foremost religions the purpose of life and the future of our planet Are you ready to challenge the religious powers that be to learn what most would rather not know If so this revolutionary book will help you transcend the darkness on your eternal journey home to a God of pure unconditional love a God who has no cause or need to ever judge or condemn anybody Illuminating the Narrow Gate reveals the flaws of the mainstream Western religions as it guides and empowers its readers to embrace an enlightened spirituality Brimming with astonishing insights and revelations it will shock the world by debunking the fire and brimstone theology of mainstream Christianity It primarily accomplishes this by unraveling the apocalyptic prophecies of Daniel the gospels and Revelation in their entirety In fact they contain hidden spiritual messages that contradict what has been confidently preached for all these centuries Like a challenging riddle that cannot be solved the answer is obvious in hindsight Only the blinding power of a paradigm can explain how we missed it for so long The revelations will strike with devastating force because the book first arrives at the same conclusion through more traditional means It convincingly describes how Jesus had come to uproot Judaism but the version of Christianity that developed in his wake failed to make the paradigm shift Erroneous tenets that should have been discarded were instead institutionalized in both theology and authority The book also blazes a third independent trail to the same destination by showing how this ancient religious tree bore its poisonous fruit in both the Holocaust and the abomination of slavery that fathered the Civil War Furthermore the book illuminates the nature of evil and its well cloaked ways which is essential for unraveling the prophecies This wisdom yields a new and astonishing interpretation of the Book of Job that delivers a quantum leap in insight over the prevailing understanding As the first devout Christian to read this interpretation commented It rocked my apple cart to the core In addition it presents an array of scientific evidence for the spiritual realm s existence that complements its amazing demonstration that long range prophecy is truly possible It thus shows the atheistic religion of scientism is also doomed Meanwhile the book proves Jesus was the Anointed One Messiah with a telescoping trio of prophecies from Daniel that foretold the onset of his ministry to the reign of the Roman Empire to its first ten emperors in the 1st century CE and to 27 34 CE Most Christians will thus either fearfully denounce the book as a satanic assault upon their religion or courageously embrace it as the inevitable completion of the Reformation The great spiritual awakening will soon be kicking into high gear which is exactly what the apocalyptic prophecies long ago foretold and the spiritual realm has long been awaiting As Jesus and a group of angels informed an atheist during his near death experience in 1985 The world is at the beginning of a major transformation It will be a spiritual revolution that will affect every person in the world Can you handle the truth Are you ready to awaken If so this world changing book is at your service You only have to purchase Vol I to get the book s core insights and revelations A PDF document of the Endnotes Bibliography Index et al published in Vol II can be downloaded for free from the book s website to make Vol I a self standing book **Old Testament Wisdom** James L.
