, 2019-10-22 It took me 16 years to understand that in order to find true love happiness peace and abundance I needed to go within During those years I experienced several painful breakups and went from one relationship to another only to realize that the most important love is self love The most painful break up was the beginning of my life long love story I moved from Slovakia to the USA with only 700 USD and without speaking a word of English I put myself through law school and became a licensed attorney in New York Nobody would hire me so I started my own company and hired myself I then decided to challenge myself further and travel the world solo I spent 30 days in complete silence in meditation retreats throughout Bali Nepal and Hawaii During this period I faced my deepest fears and came to discover that they were only illusions The truth is many of our fears are not real they are just our ego trying to protect us What is real is love and that is our higher self The Universe is governed by the ultimate Law that is Love and when we all collectively raise our consciousness we will be able to create a new world In this book you will learn how to Heal a broken heart and fall in love with yourself Change a limiting money mindset and attract abundance Discover your purpose and start a purpose driven business Meditate and tap into your higher self Create a healthy relationship with your body then go beyond reading words and concepts to open your mind and heart and enter the space between words beyond knowledge to Spirit where Love is the Law Sylva Dvorak PhD New York Times Bestselling Author Your Hidden Riches Unleashing the Power of Ritual to Create a Life of Meaning and Purpose

**Spiritual Reflections** Doris Nickles, 2010-02 My book consists of a number of short writings based on the ability to communicate with spirit and how it has helped me to understand my journey through life and all its events I write of understanding natural law and the balance of nature personal responsibility and retributions in all doings I write of examples of how this understanding has helped me what I have discovered in being a positive person and living a positive life I also draw attention to healing energies and assisting self to heal the heart mind and soul Helping to direct a positive outlook on life and its events I feel anyone who reads my book will find they can identify in some way with the experiences I share and the messages derived from these writings **Short Readings at Family Or Private Prayer, Or Other Special**
