The Heresy of Ham, Revised Edition Joel Edmund Anderson, 2024-11-07 One of the most controversial issues in our society today especially within Evangelicalism is that of the creation evolution debate Over the past few decades Fundamentalist apologists like Ken Ham of the young earth creationist organization Answers in Genesis have made a career convincing people that the age of the Earth and the historicity of Genesis 1:11 are not just bedrock fundamental tenets of the Christian faith but are also crucial fronts in the culture war In *The Heresy of Ham* Joel Edmund Anderson convincingly shows that not only are the YECist claims of Ken Ham unbiblical and unscientific but they

have sowed the seeds of strife and division within countless Christian communities He should know he lost his job as a biblical worldview teacher at a small Evangelical school over the issue of YECism Anderson s ultimate message is simple regardless of your position regarding evolution or the interpretation of Genesis 1 11 they are not fundamental to the Christian faith and should not be used as battlefronts in the culture war If you have always had questions about the creation evolution debate the claims of YECism and the way Genesis 1 11 should be interpreted The Heresy of Ham is a tremendous resource for anyone struggling coming to grips with these issues The New Answers Book Volume 3 Ken Ham,2010-02-01 The world around us provides irrefutable evidence of our Creator but when challenged can you defend your faith Do you have answers to your own questions or those of your family about faith evolution creation and a biblical worldview Get the important information you need in this compelling third book from the popular Answers series and learn more about Global warming Cloning and stem cells The existence of God Bacteria and viruses Questions for evolutionists Human and chimp DNA The universe young or old Kinds in Genesis What Noah s Ark looked like and much more Learn how to be more effective in defense of scriptural authority and the truth of Genesis as literal history Join Ken Ham and leading creation scientists like Dr Jason Lisle Dr Andrew Snelling Dr Georgia Purdom Dr David Menton Dr Terry Mortenson Dr John Morris Dr Steve Austin Dr David DeWitt Dr Danny Faulkner Dr Joe Francis and others as they provide simple and empowering answers to these and other popular questions of faith in our culture today Other exciting books available in this best selling series The New Answers Book 1 and The New Answers Book 2 with over 50 additional questions and answers *Already Gone* Ken Ham,Britt Beemer,2009-05-01 Over 100 000 copies in print If you look around in your church today two thirds of the young people who are sitting among us have already left in their hearts soon they will be gone for good This is the alarming conclusion from a study Answers in Genesis commissioned from America s Research Group led by respected researcher Britt Beemer The results may unnerve you they may shake long held assumptions to the core but these results need to be taken seriously by the church *Already Gone* reveals Why America s churches have lost an entire generation of believers The views of 1 000 twenty somethings solidly raised in the church but no longer attending and their reasons why Relevant statistical data effectively teamed with powerful apologetics The study found that we are losing our kids in elementary middle school and high school rather than college and the Sunday school syndrome is contributing to the epidemic rather than helping alleviate it This is an alarming wake up call for the church showing how our programs and our approaches to Christian education are failing and our children are paying the price Though the statistics reveal a huge disconnect taking place between our children and their church experience *Already Gone* shows how to fight back for our families our churches and our world We can make a difference today that will affect the statistics of tomorrow in a positive and Christ focused way The Answer Book Nancy Ruth,2015-02-18 The Answer Book A Devotional for Busy Families recognizes that todays families keep hectic schedules often leaving mere scraps of time for asking and answering spiritual questions Nancy Ruth
