A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of
everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the

historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher
to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen
from among those scholars who are or have been themselves preachers And even when the articles have the same titles as

distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels
because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far
greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature
