The Athenaeum ,1890 Farmer's Weekly ,1927 The Farmer's Weekly ,1929 *Lineages of the Global City*
Shiben Banerji,2025-07-08 The forgotten history of the occult foundations of the early twentieth century global city War
revolution genocide rebellion slump The economic and political turmoil of the early twentieth century seemed destined to rip
asunder the ties that bound colonizers and the colonized to one another The upheaval represented an opportunity and not
just to nationalists who imagined new homelands or to socialists who dreamed of international brotherhood For modernists in
the orbit of various occultisms the crisis of empire also represented an opportunity to reveal humanity s fundamental unity
and common fate *Lineages of the Global City* recounts a continuous if also contentious transnational exchange among
modernists and occultists across the Americas Europe South Asia and Australia between 1905 and 1949 At stake were the
feelings and affect of a new global subject who would perceive themselves as belonging to humanity as a unified whole and
the urban environment that would foster their subjectivity The interventions in this debate which drew in the period s most
renowned modernists took the form of a succession of plans for cities suburbs and communes as well as experiments in
building drawing printmaking filmmaking and writing Weaving together postcolonial feminist and Marxist insight on subject
formation Shiben Banerji advances a new way of understanding modernist urban space as the design of subjective effects
