Karidis,2022-03-24 This book offers a fresh appraisal of Karl Friedrich Schinkel s urban design legacy and his involvement in the design of modern Athens in the 1830s It challenges the common perception of Schinkel s proposed palace atop the Acropolis of Athens 1834 as a utopian scheme detached from the realities of nineteenth century Greece

Planning Regional Futures John Harrison,Daniel Galland,Mark Tewdwr-Jones,2021-09-30 Planning Regional Futures is an intellectual call to engage planners to critically explore what planning is and should be in how cities and regions are planned This is in a context where planning is seen to face powerful challenges professionally intellectually and practically in ways arguably not seen before planning is no longer solely the domain of professional planners but opened up to a diverse group of actors the link between the study of cities and regions which traditionally had a disciplinary home in planning schools and the like steadily eroded as research increasingly takes place in interdisciplinary research institutes the advent of real time modelling posing fundamental challenges for the type of long term perspective that planning has traditionally afforded regional planning and its mixed record of achievement and the link between region and planning becoming decoupled as alternative regional and other spatial approaches to planning have emerged This book takes up the intellectual and practical challenge of planning regional futures moving beyond the narrow confines of existing debate and providing a forum for debating what planning is and should be for in how we plan cities and

regions The chapters in this book were originally published as a special issue of *Regional Studies* *Contemporary Topics in Graduate Medical Education* Stanislaw P. Stawicki, Michael S. Firstenberg, James P. Orlando, Thomas Papadimos, 2019-10-09 Graduate medical education GME is a continually evolving highly dynamic area within the complex fabric of the modern health care environment Given the rapidly changing regulatory financial scientific and technical aspects of GME many institutions and programs face daily challenges of keeping up with the most recent developments within this ever more sophisticated operational environment Organizational excellence is a requirement for the seamless functioning of GME programs especially when one considers the multiple disciplines and stakeholders involved The goal of the current book cycle titled *Contemporary Topics in Graduate Medical Education* beginning with this inaugural tome is to provide GME professionals with a practical and readily applicable set of reference materials More than 20 distinguished authors from some of the top teaching institutions in the US touch upon some of the most relevant contemporary and at times controversial topics including provider burnout gender equality issues trainee wellness scholarly activities and requirements and many other theoretical and practical considerations We hope that the reader will find this book to be a valuable and high quality resource of a broad range of GME related topics It is the Editors goal to create a multi tome platform that will become the definitive go to reference for professionals navigating the complex landscape of modern graduate medical education Honoring Richard Ruiz and his Work on Language Planning and Bilingual Education Nancy H.

Hornberger, 2016-11-21 Richard Ruiz has inspired generations of scholars in language planning and multilingual education with his unique orientations to language as a problem a right and a resource This volume attests to the far reaching impact of his thinking and teaching bringing together a selection of his published and unpublished writings on language planning orientations bilingual and language minority education language threat and endangerment voice and empowerment and even language fun accompanied by contributions from colleagues and former students reflecting and expanding on Ruiz ground breaking work This book will be of great interest to both undergraduate and postgraduate students in language planning and multilingual education Indigenous and minority education as well as to junior and senior researchers in those fields
