Extreme Weather and Global Media Julia Leyda, Diane Negra, 2015-06-05 In the two decades bracketing the turn of the millennium large scale weather disasters have been inevitably constructed as media events As such they challenge the meaning of concepts such as identity and citizenship for both locally affected populations and widespread spectator communities This timely collection pinpoints the features of an often overlooked yet rapidly expanding category of global media and analyzes both its forms and functions Specifically contributors argue that the intense promotion and consumption of extreme weather events takes up the slack for the public conversations society is not having about the environment and the feeling of powerlessness that accompanies the realization that anthropogenic climate change has now reached a point of no return Incorporating a range of case studies of extreme weather mediation in India the UK Germany Sweden the US and Japan and exploring recent and ongoing disasters such as Superstorm Sandy the Fukushima nuclear crisis flooding in Germany and heat waves in the UK *Extreme Weather and Global Media* generates valuable inquiry into the representational and social characteristics of the new culture of extreme weather

Higher Life Design Jefferson Santos, 2014-09-21 I walked down the sidewalk on my way to the mailbox fearing the worst Rather than a friend the mailbox seemed more like an assassin Its favorite target My pride My future And most devastating my credit score I wasn't financially irresponsible but then again Donald Trump wasn't sitting at my feet to learn any tips about money management either Truth is I was broke Worse than that I was broke and in the hole Yep Twenty three years old 70K in debt and living with my mom in her apartment I was the essence of a self made man Except that I hadn't made anything yet and I definitely didn't feel like a man at the moment Despite a large amount of entrepreneurial ambition for my new business start up life had me in a choke hold and I felt close to tapping out Life held Author Jefferson Santos up against the ropes until he discovered the answer the 7 steps that now make up the Higher Life Design Today a competent and confident entrepreneur Jefferson earns over 7 figures A quarter of a million strong his international team grows daily He's trained teams from A to Z from Amsterdam to Zimbabwe and everywhere else in between His house and car are both paid for by his company and in the past 84 months he's taken 107 vacations In this transformational book Jefferson will show you the 7 step model that changed his life What if you had vibrant health abundant wealth and unending happiness What if you got the exact results you wanted Think it's too good to be true Think again Think Higher Life Design

Furry Fandom Conventions, 1989-2015 Fred Patten, 2017-01-17 Furry fandom an adult social group interested in anthropomorphic animals in art literature and culture has grown since the 1980s to include an estimated 50 000 furries Their largest annual convention drew more than 6 000 attendees in 2015 including 1 000 dressed in fur suits or mascot type animal costumes Conventions typically include awards organizations art literature and movies encompassing a wide range of creative pursuits beyond animal costuming This study of the furry subculture presents a history of the oft misunderstood group and lists all conventions around the world from 1989 through 2015 including
