Though St Th r se of Lisieux lived a short hidden life in a Carmelite monastery in a small town in France she predicted that after her death the whole world would love her and promised to send a shower of roses spending her Heaven doing good upon earth until the end of time True to her word the Little Flower has favored countless souls with her friendship and her name and image can be found in every corner of the earth Pope St Pius X called her the greatest Saint of modern times and the nine popes following him have all endorsed her Little Way of Spiritual Childhood She is the Patroness of the missions alongside St Francis Xavier Patroness of France with St Joan of Arc and in 1997 Pope St John Paul II named her the 33rd Doctor of the Church And yet after 120 years of this young nun s universal acclaim author Suzie Andres has found something brand new to say about St Th r se Taking a little known petition from Th r se s Act of Oblation to Merciful Love the author reveals a Eucharistic miracle that the Little Flower not only lived but promoted among those close to her This book begins with an explanation of St Th r se s Eucharistic miracle and goes on to find evidence of this miracle in the lives of other great Saints from Margaret Mary to Padre Pio The author then uses Th r se s own arguments to prove that this particular grace as well as the Act of Oblation to Merciful Love is meant for all little souls Something New with St Th r se is an invitation to readers to take further steps along the Little Way and into the Eucharistic Heart of Jesus **Pure Faith** Jason Evert,2017-05
