play that have anywhere from 2-4 scoring opportunities within each entry play. We provide you with 60 different entry plays that you can use that end in numerous different alignments to make sure whatever offense you are running we have entry options for it. Now you can turn heads when your offense breaks down defenses and becomes virtually unscoutable. Defenses can scout your main actions but these Entry Plays allow you to throw different wrinkles and looks as the season progresses that your opponents are not prepared for or have not yet seen. Run what your favorite NBA and College coaches run to disguise their actions. Surprise your opponents and get the Entry Plays Book today and take your offense to the next level. Features 82 Pages Over 60 different entry plays. Our Entry Plays Decoy Actions are entry plays that disguise what we want to get into. Most all plays have between 2-4 scoring opportunities and flow right into our continuity action. Disguise your actions to make it difficult for your opponents to scout.

THE BLOCKER/MOVER BASKETBALL OFFENSE PLAYBOOK

Coach Vann, *THE BLOCKER MOVER OFFENSE PLAYBOOK*. The Blocker Mover offense was developed by Dick Bennett while at the University of Wisconsin Green Bay and then Washington State University. The Blocker Mover offense later became more popularized recently by his son head coach Tony Bennett while at the University of Virginia as they won a national championship primarily using the Blocker Mover offense. The Blocker Mover offense is a motion offense that has extensive screening and cutting that has players reading and reacting to how the defense is playing them. Players have defined roles: some are blockers and some are movers. The Movers are primarily scorers. They play all over the court from side to side and top to bottom. A mover looks for a blocker to get a screen then uses the screen correctly, reads the defense and makes the right cut. The Blockers are smart team players who embrace their primary responsibility of setting good screens for movers. After screening a blocker may set another screen or in reading the defense may shape up to the ball or slip the screen for a pass inside and a lay up. You will learn all of the screener and mover concepts and details within our Blocker Mover Playbook. In this book you get 361 pages full of in depth break downs of the Blocker Mover offense that has transformed the Virginia program into a national powerhouse. You'll get 2 different continuity motion offenses that you can run complete with 11 different entry plays to help disguise your actions to the defense. We also provide you with over 40 quick hitters that you can run to counter against those common defensive adjustments. Now you can learn all of the ins and outs complete with everything that you could ever need to excel at the Blocker Mover offense. Features 361 Pages Over 40 Quick hitters to counter what the defense may try to do. 11 different entry plays to disguise your actions. 2 Continuity Motion Offenses. We break everything down to screening rules, post player rules, ball rules, personnel and alignments.
