

Line's Awesome Graphics

We always ask testers to identify their favorite graphics. This year we took it a step further, with an in-house staff vote. Remarkably, the favorites were all from the same brand. Line used Toronto artist Derek Muscat to give its new Sick Day series an unforgettable look. And as always, Line athlete Eric Pollard is the paintbrush behind the arresting topsheets on his own pro models. Shown: **Sick Day 125** (left) and **Mr. Pollard's Opus**. —J.C.

Line's Awesome Graphics

We always ask testers to identify their favorite graphics. This year we took it a step further, with an in-house staff vote. Remarkably, the favorites were all from the same brand. Line used Toronto artist Derek Muscat to give its new Sick Day series an unforgettable look. And as always, Line athlete Eric Pollard is the paintbrush behind the arresting topsheets on his own pro models. Shown: **Sick Day 125** (left) and **Mr. Pollard's Opus**. —J.C.

the strongest performance, and finally providing a full line with three distinct widths for men and women—including two innovative tube-mode boots in the Penacle line that racked up models in this year's test. (Shown: **Penacle 120 G2**.) Ross is well known in Italy's boot manufacturing centers as the Rossa Group, a place where other companies (such as Full Tilt) get their boots built. They already had a place in the European market but now have teamed with ATENIT to tackle North America. Testers liked the medium-width **6.5 Rossa** (shown) for its hike mode, good ski performance, and great price. Scott acquired Garmont, including a couple of tester-fave alpine boots, the G2 and G2 **120** (shown) and a variety of proven AT options, including the men's Deltium and women's Rayburn. —M.E.

Fits to Be Tried

Testers agreed that the boot industry is taking greater liberties than ever with width classification (shown as last width, measured in millimeters at the forefoot of a size 26 shoe). One brand's narrow boot might fit like another's wide. Lengths vary as well in a given size—some fit short, some long. So even though there are more great-fitting boots on the market than ever, it's a treat for all the skiers trying to navigate the choices. The upshot? You still need a good shop to pilot you through the options, and there's no substitute for trying them all on. —M.E.
