Forward Dr John D. Sheuring,2018-02-14 My journey has been interesting as I was faced with a difficult childhood that encompassed abandonment dysfunctional family child abuse mental and physical abuse I thought I had all the answers when I left home and went into the Navy but the problems were to continue in a different way The emotional tolls of the past years were to randomly appear throughout my past Writing this book as helped me understand my emotional state my actions and the way I tried to overcome my weaknesses My faith in God was fundamental to me all though the years and knowing that no matter how bad life was He would be there for me The most profound realization I discovered was that I am extraordinary

and exceptional And my past was just my past and did not have to define my future
