

DEPARTMENT OF THE AIR FORCE
HEADQUARTERS UNITED STATES AIR FORCE
Washington, DC

MEMORANDUM FOR SEE DISTRIBUTION

JAN 15 2015

FROM: [REDACTED]
Air Force Pentagon
Washington DC 20330-1480

SUBJECT: Space Operations (AFSC 13S) Assignment Tour Lengths

1. This memorandum supersedes a 26 Mar 13 memo, same subject. It clarifies and expands the previous 13S crew tour policy.
2. With the exception of OCONUS and CONUS-isolated assignments, crew tour length is 36 months, beginning at the combat-mission ready/mission ready (CMR/MR) date. This 36 month assignment will be managed via a Code 55. Operational assignments in the 4th, 16th, and 76th Space Control Squadrons are 48 months, beginning from CMR/MR date. Squadrons have the responsibility of inputting Code 55s on their personnel. Operational assignments in the National Reconnaissance Office will be 36 months with the option of a 12-month extension to meet operational needs. NRO will manage assigned officers via a Code 56. The three-year Code 56 starts at the officer's Date Arrived Station to the NRO and is updated and managed by AFPC/DPAX. OCONUS and CONUS-isolated assignments are governed by existing AFI 36-2110 requirements.
3. Operations group commanders may request assignment extension of up to 12 months for their officers to meet leadership and instructor requirements. Approval is subject to AF needs. We request that reclaims be used judiciously to ensure that 13S officers are allowed to build breadth as well as depth whenever possible.
4. Reclamas for 13S officers serving in institutional requirement and career broadening assignments will be granted only in extreme circumstances.
5. Please refer questions or concerns to Colonel [REDACTED], 13S CFM, at: [REDACTED]@mail.mil or DSN [REDACTED].

[REDACTED]
Major General, USAF
Director, Space Operations
