

The background of the entire image is a view from the cockpit of an Airbus A320, looking out through the windshield at a sunset or sunrise over a body of water. The sky is a gradient of blue and orange. In the foreground, the instrument panel is visible, with various gauges and displays. Overlaid on the instrument panel is a technical diagram of the A320's engine and fuel system, showing the flow of fuel from the tanks through the engines and the associated pumps and valves. The diagram is drawn in red and white lines on a dark background.
