German Federalism in Transition Carolyn Rowe, Wade Jacoby, 2013-10-18 Federalism in Germany has come to be viewed as the root cause of the country s current economic and social malaise The federal political system which contributed enormously to the economic success and political stability of West Germany is now said to be outdated overburdened and unworkable German federalism is now widely seen as

being synonymous with Reformstau reform blockage and Stillstand inertia Critics argue that the system urgently needs to change if Germany is to continue to compete in the global system This major new text offers a unique scholarly evaluation of the major recent attempts to overhaul Germany's federal political architecture It brings together thematic chapters by leading authorities on German federalism to provide a comprehensive assessment of the reform processes to date their inception scope objectives and outputs The contributions provide new insights into the dynamics of reform in key policy areas such as economic policy Europe and the tax equalisation system as well as in the institutional frameworks for decision making It will be essential reading for students of Germany its politics law and economics This book was published as a special issue of the German Politics
