Answer the following questions based on the reading passage. Don't forget to go back to the passage whenever necessary to find or confirm your answers.

1) What is a custom?

2) What are the ways that Native Americans tell their stories?

3) Contrast what you have learned about the various Native American cultures and what you know about your own culture. How are they different?

4) In your own words, explain the importance of telling.

5) Explain why some tribes developed writing.

Native Americans from different North America had or have different customs, rituals, each of which developed in different times and traditions. A custom is the specific way a ritual is passed or shared with something. This can include how things are prepared, what clothing is worn, the type of celebrations and ritual acts. The set of customs, developed and shared by a culture over time is a tradition.

A culture's customs are often determined by the values and beliefs held in that environment. In the Eastern Woodland region, with weaving developed as a custom. The people used to make things with native plants used for making clothing or baskets. Clothing weaving was a way of making the most of things without using animal skins. In the Eastern Woodlands area, however, hunting and fishing are daily activities. Food is easy to get everywhere, so weaving into clothing was not important.

The traditions of men and women in the same time varied as well. In hunting culture, men were often seen from their hunting. The day to hunt, usually the first morning of the month, was the day when they were seen. The culture where they were given a name and a story about the animals they hunted.

People also use an important part of traditional American culture. They tell stories in language. Telling the story's history was the way they passed it down from generation to generation so they could tell it for. The story was telling, celebrating and singing a way to remember the tribe's history. The stories told the tribe's history, family adventures and accomplishments. The stories also passed on the people of the time.

Religion was an important part of Native American culture. The celebration of the tribe's life and death when people were born, sometimes. The most common way to give thanks to the tribe was for a good crop. Some celebrations included singing songs and dancing with animal dances. The celebrations honored the people's life and death, and the way to provide for their needs.

The Babylonian Talmud and Late Antique Book Culture Monika Amsler,2023-04-06 In this book Monika Amsler explores the historical contexts in which the Babylonian Talmud was formed in an effort to determine whether it was the result of oral transmission Scholars have posited that the rulings and stories we find in the Talmud were passed on from one generation to the next each generation adding their opinions and interpretations of a given subject Yet such an oral formation process is unheard of in late antiquity Moreover the model exoticizes the Talmud and disregards the intellectual world of Sassanid Persia Rather than taking the Talmud s discursive structure as a sign for orality Amsler interrogates the intellectual and material prerequisites of composers of such complex works and their education and methods of large scale data management She also traces and highlights the marks that their working methods inevitably left in the text Detailing how intellectual innovation was generated Amsler s book also sheds new light on the content of the Talmud This title is also available as Open Access on Cambridge Core
