Harley,2019-02-06 Prevalence of brain related diseases is expected to increase significantly in the next decades Therefore there is a vital need to develop effective personalized models of human brain that can provide information about brain development and the unique neurobiology of brain disorders The use of biomaterials can play a strategic role for the future understanding and treatment of complex CNS diseases Three dimensional brain cultures have shown promise in disease modelling cell transplantation and modulation of tissue repair

Runways & Racers Terry O'Neil,2011 Runways and Racers focuses on sports car races held at military installations throughout America in the early 1950s It was a marriage of convenience for the Sports Car Club of America and the Strategic Air Command with both parties gaining advantages from the arrangement The thorn in the side turned out to be a Congressman whose own aspirations exceeded his standing but who found himself in a position to be able to influence the outcome of events

Romance and Its Contexts in Fifteenth-century England Raluca L. Radulescu,2013 Although the anonymous pious Middle English romances and Sir Thomas Malory s Morte Darthur have rarely been studied in relation to each other they in fact share at least two thematic concerns vocabularies of suffering and genealogical concerns as this book demonstrates By examining a broad cultural and political framework stretching from Richard II s deposition to the end of the Wars of the Roses through the

prism of piety politics and penitence the author draws attention to the specific circumstances in which Sir Isumbras Sir Gowther Roberd of Cisely Henry Lovelich's History of the Holy Grail and Malory's Morte were read in fifteenth century England In the case of the pious romances this implies a study of their reception long after their original composition or translation centuries earlier in Lovelich's case an examination of metropolitan culture leads to an opening of the discussion to French romance models as well as English chronicle writing
