Understanding New Religious Movements John A Saliba,2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new

foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals Understanding New Religious Movements offers the most objective introduction possible **Mysticism and the Spiritual Quest** Phyllis Zagano,2013 A crosscultural exploration of the meanings definitions practices and common themes of mysticism via a study of original texts in translation from different parts of the world It brings together the writings of the mystics from Christianity Judaism Islam Buddhism Hinduism Taoism and Confucianism in one volume *Ways of Living Religion* Christina M. Gschwandtner,2024-03-14 This study provides a philosophical analysis of different types of religious experience focusing on the lived experience of religion *City of 201 Gods* Jacob Olupona,2011-12-13 Olupona does a masterful job of interweaving historical detail personal interviews and observations Here myth becomes lived reality and one is forced to take pause and ask what and where indeed are the true powers that enable humans to inhabit the modern city Charles H Long author of Significations Signs Symbols and Images in the Interpretation of Religion This book is destined to be the authoritative source on one of the most important religious centers and one of the most fascinating ethnic groups in sub Saharan Africa This is a remarkable and engaging piece of research by a first class scholar who knows his discipline and his native culture Barry Hallen author of The Good the Bad and the Beautiful Discourse About Values in Yoruba Culture

Teaching New Religious Movements David G. Bromley,2007-05-25 Since its inception around 1970 the study of New Religious Movements NRMs has evolved into an established multidisciplinary field At the same time both the movements and the scholars who study them have been the subjects of intense controversy In this volume a group of senior NRM scholars who have been instrumental in the development of the field will offer pivotal essays that present the basics of NRM scholarship along with guidance for teachers on classroom use The book is organized topically around subjects that are both central to the study of NRMs and likely to be useful to non specialists Part I contains examinations of the definitional boundaries of the area of study varying disciplinary perspectives on NRMs unique methodological ethical problems encountered in the study of NRMs and the controversies that have confronted scholars studying NRMs and the movements themselves Part II examines a series of topics central to teaching about NRMs the larger sociocultural significance of the movements their distinctive symbolic and organizational features the interrelated processes of joining and leaving NRMs the organization of gender roles in NRMs media and popular culture portrayals of the movements the occurrence of corruption and abuse within movements and violence by and against NRMs Part III provides informational resources for teaching about NRMs which are particularly important in a field where knowing the biases of sources is crucial With its interdisciplinary approach the volume provides comprehensive accessible information and perspectives on NRMs It is an invaluable guide for instructors navigating this scholarly minefield *Re-imagining South Asian Religions* ,2012-12-03 Re imagining South Asian Religions is a collection of essays offering new ways of understanding aspects of Hindu Tibetan Buddhist Sikh Jain Theosophical and Indian Christian experiences Moving away from canonical texts established authorities and received

Apostate! No More Bazoodee: A Grenadian Quest to Think Outside the Box Seon M. Lewis, 2015-10-13 Most if not all Grenadians have grown up hearing stories of la diablesse lagahou and sookooyant But have you ever wondered about the origin of these stories This book just doesn't re-tell these stories It traces their origins and looks at them as being influential in helping shape our self identity and our interpersonal relationship In fact this book examines and critiques aspects of the Grenadian sociocultural and sociopolitical culture that seek in many ways to minimize and suppress the individual's search for self identity especially as he or she tries to pursue knowledge that appears to be outside the socially accepted In doing so this book follows the author's journey as he analyzes old ideas and engaged with new ones Also central to this book is that it seeks to help the individual develop his or her moral and ethical awareness

The Future of God in the Global Village Thomas R. McFaul, 2011-10-11 In the long trek of human history the adage that there will never be peace among the nations until there is peace among the religions has never been truer The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty first century has taken a terrible toll on the lives of thousands of innocent victims The primary purpose of this book is to address this issue head on by examining the role that the earth's diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment At this stage of human evolution nothing is more urgent

Representing Religion Tim Murphy, 2014-12-05 If religion is continually in a state of flux how can the study of religion critically examine contemporary religious beliefs and values *Representing Religion* critically examines this crisis of representation The volume traces the history of religious studies critiquing the concept that experience is central to understanding religion The views of influential semioticians and philosophers notably Nietzsche Saussure Foucault Barthes and Bakhtin are used to construct a new methodology for the critical study of religion *Representing Religion* will be of interest to students and scholars of semiotics as well as theory and method in religious studies

Understanding World Religions Irving Hexham, 2011-03-22 Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world's many religions *Understanding World Religions* presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent

in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham's decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam **Religion in America** Timothy L. Hall, 2007 Presents an overview of the history of religion in America and includes excerpts from primary source documents short biographies of influential people and more American Journal of Islamic Social Sciences 12:2 Ahdulkader I.

Tayob, Mohammad A. Chaudhary, Abdel Rahman Ahmad Abdel Rahman, louay Safi, Muhammad Iqbal Anjum, The American Journal of Islamic Social Sciences AJISS established in 1984 is a quarterly double blind peer reviewed and interdisciplinary journal published by the International Institute of Islamic Thought IIIT and distributed worldwide The journal showcases a wide variety of scholarly research on all facets of Islam and the Muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional Islam *Religious Literacies in Educational Contexts* Sabrina D. Misir Hiralall, Kate E. Soules, 2025-03-27 Religious Literacies in Educational Contexts Interdisciplinary Perspectives provides an overview of current scholarship on religious literacy and its practical applications in public life As an emerging interdisciplinary field religious literacy is vital in understanding how diverse religious beliefs shape social and political landscapes This volume aims to deepen the conversation among scholars and practitioners by offering actionable recommendations for promoting religious literacy in educational contexts Key questions addressed include What does religious literacy mean in different contexts Why is religious literacy important today How can educators and scholars foster religious literacy in public settings This book provides an exploration of these questions as the authors offer an overview of the current scholarship on religious literacy along with its applications in the classroom for both scholars and practitioners This book is designed for scholars educators and practitioners interested in the intersecting fields of religion education and public life highlighting the significance of religious literacy in various disciplines and contemporary issues by providing readers with insights and strategies to enhance their understanding and teaching of religious diversity **Humanities**

Perspectives in Peace Education Nicole L. Johnson, 2021-08-01 In *Humanities Perspectives in Peace Education* Re Engaging the Heart of Peace Studies scholar teachers across a variety of humanities fields explore the content methods and pedagogies that are unique to their respective disciplines in contributing to the study of peace and justice In recent decades even as peace scholarship has burgeoned many peace studies texts including those that purport to be interdisciplinary in nature have emphasized social science perspectives and in some cases have foregone exploration of the role of the humanities altogether in comprehensive peace education While humanities scholars continue to stake out space for peace scholarship within their fields no volume has attempted to collect the wisdom of multiple humanities disciplines in order to make the case for their critical role in authentic peace education *Humanities Perspectives in Peace Education* addresses that shortcoming in the field of peace studies by exploring the ways in which the humanities are uniquely situated to contribute

particular content knowledge skills and values required of comprehensive peace education scholarship and activism These include the development of empathy and understanding creative vision and imagination personal and communal transformation toward the good in society such as the pursuit of justice nonviolence freedom and human thriving and field specific analytical lenses of their own among other contributions Both teachers and students of peace will find value in this interdisciplinary humanities volume Each chapter of Humanities Perspectives in Peace Education offers a deep dive into a particular humanities field including philosophy literature language and culture studies rhetoric religion history and music to mine the field s unique contributions to peace and justice studies Scholars ask What are we missing in peace education if we fail to include this academic discipline Chapters include suggestions for peace pedagogies within the humanities field as well as bibliographies and suggestions for further reading
