no visible improvement We might even wonder if God has forsaken us Then one day it happens We laugh We feel connected restless maybe even hopeful We re no longer consumed by our loss and our thoughts turn outward These are the first signs of healing Though the tendency in our fast paced society is to suppress our grief or ignore it all together Grieving God s Way inspires a different course of action In this 90 day devotional Margaret Brownley provides the framework for a methodical grieving process that follows God s plan Grieving God s way requires us to trust that He will lead us through the darkness heal our pain take away our weariness and fill our hearts with hope peace and new purpose From defining what grief is to validating its importance Brownley gives us the components necessary to find God within our sorrow and grieve with Him Divided into four sections Grieving God s Way offers insight into healing our grieving body soul heart and spirit Infused with scriptures and inspirational haiku by Diantha Ain this book motivates us to shift our grieving from man s way to God s way slow and often invisible but with truly amazing results So how long does it take to grieve As long as it takes God to heal
