

1. **LABELLING:** Label the structures of the brain indicated in the following diagram.

2. On your right is a diagram of the right lateral view of the human brain.

(A) Match the letters on the diagram with the following list of terms and insert the appropriate letters in the answer blanks.

(B) Select different colors for each of the areas of the brain provided with a color-coding circle and use them to color in the coding circles and corresponding structures in the diagram. If an identified area is part of a lobe, use the color you selected for the lobe but use stripes for that area

3. Next is a diagram of the sagittal view of the human brain.

(A) Match the letters on the diagram with the following list of terms and insert the appropriate letter in each answer blank.
