

DOG CARE TIPS *for* NEW DOG OWNERS

01

Pet Care Supplies

Get premium dog food, food and water bowls, a dog leash, collar with ID tag, dog beds, and a crate, a dog carrier, and grooming supplies. Don't forget lots of chew toys!

02

Comfy Quarters

Provide comfortable and pet-proofed quarters that's warm and quiet enough for resting. Make sure his crate or dog bed are always clean and in good condition.

03

Feeding Tips

Feed your dog premium dry dog food mixed with broth, water, or canned wet food. Young pups need to be fed more frequently while adult dogs can be fed one large meal or two small meals daily.

04

Vaccinations

It's important that your pet gets all the essential vaccinations to protect him from dangerous infections and diseases such as parvo, distemper, and Lyme disease.

05

Identification

Buy your dog a collar with an ID tag that contains all your information, in case he escapes and gets lost. It would also be a good idea to have him microchipped as a precaution.

06

Grooming

Make sure your pup gets regular baths. Dogs with long fur and thick coats need frequent brushing and to always be checked for fleas, especially on warm weather.

07

Handling

When carrying a puppy or a small dog, place one hand under the chest and support the hind legs or the rump with your other hand. Do the same when you have to lift a large dog.

08

Training & Exercise

Use positive reinforcement to teach your dog basic commands. Set aside a few minutes a day to play and train with your dog. Never punish your dog.

09

Socialization

Give him ample opportunities to meet people and other pets, with some precautions. Take him to the dog park or enroll him in a puppy class.

10

Spaying/Neutering

At six months old, you may consider if you want to spay or neuter your pet. Consult your vet to know more about the procedure.
